A Case Study on the Impact of YouTube-Videos on Political Campaigning* Anna Poppen, 2014-06-06 Seminar paper from the year 2011 in the subject Didactics for the subject English Applied Geography grade 1 0 Carl von Ossietzky University of Oldenburg language English abstract The video sharing website YouTube has become a phenomenon that is part of an increasing number of people s lives and also a part of the usual presidential rhetoric Before the launch of YouTube in 2005 the enormous effects of this online phenomenon on all aspects of society could hardly be foreseen In 2011 however it is obvious that YouTube and other online media affect every day life including political decision making in many ways The 2004 US presidential election is often referred to as the first internet election as the candidates Howard Dean in particular started to use blogs and websites to raise money and convince voters online Zielmann R ttger 2009 77 By 2008 the internet had become even more diverse and complex and offered a lot of new online functions like social networking sites Facebook and video sharing sites YouTube These new opportunities were used by most of the candidates in the 2008 presidential election The later US President Barack Obama as well as his internal opponent Hillary Clinton made use of the internet to spread their political messages and address especially the younger voters A study that was conducted by the Pew Internet American Life Project during the 2008 election campaign proved that 40% of all adults accessed information about politics on the internet It also showed that viewers of politically relevant YouTube videos had become a key part of at least some campaign events Rainie Smith 2008 In 2008 the online world was not new to most people but it was used as a major propaganda tool by most politicians and their campaign teams for the first time In the Democratic primary elections several candidates did not announce their candidacy in the traditional press but online On July 23 2007 the first ever political debate took place on

YouTube YouTube Marketing Power: How to Use Video to Find More Prospects, Launch Your Products, and Reach a Massive Audience Jason Miles, 2014-01-03 Grab YOUR share of YouTube s BILLIONS of daily viewers YouTube is one of the world s most popular websites which makes it one of the best marketing tools on the planet Jason G Miles the author of Pinterest Power and Instagram Power shows you how to get up and running on YouTube and offers best practices for using it to drive traffic to websites to increase sales YouTube Marketing Power provides expert tips on how to design a powerful YouTube strategy LEARN HOW TO Make great videos quickly and easily Build brand loyalty with powerful videos Drive traffic and revenue to your existing business Advertise on YouTube Monetize your YouTube work This fast paced but highly detailed guide reveals why companies frequently fail at YouTube marketing and how you can succeed by avoiding the same mistakes YouTube Marketing Power is the only guide you need to take full advantage of today s most powerful and inexpensive marketing tools **YouTube** Jean Burgess, Joshua Green, 2013-04-16 YouTube is one of the most well known and widely discussed sites of participatory media in the contemporary online environment and it is the first genuinely mass popular platform for user created video In this timely and comprehensive introduction to how YouTube is being used and why it matters Burgess and Green discuss the ways that it relates to wider transformations in culture society and the economy The book critically examines the public debates surrounding the site demonstrating how it is central to struggles for authority and control in the new media environment Drawing on a range of theoretical sources and empirical research the authors discuss how YouTube is being used by the media industries by audiences and amateur producers and by particular communities of interest and the ways in which these uses challenge existing ideas about cultural production and consumption Rich with both concrete examples and featuring specially commissioned chapters by Henry Jenkins and John Hartley the book is essential reading for anyone interested in the contemporary and future implications of online media It will be particularly valuable for students and scholars in media communication and cultural studies Ukraine's Move to the West Stephanie Hale, 2016-04-07 This book examines the intervention of global elite networks in the context of Ukraine s EU IMF deal within the overall Euromaidan moment late 2013 early 2014 It develops an empirically grounded investigation focused on three sets of modalities within the EU IMF package during this time period namely GM agriculture biotechnology hydraulic fracking and an internationally enabled regime change as proposed solutions for urgent problems confronting Ukraine There is a particular spotlight on the intersections between corporate actors political players foundations and think tanks in the reproduction of particular constellations of power between Western particularly U S based networks and Ukrainian agents and intermediaries The complexity of social dynamics allow for multiple forms of power to operate at once in this space of international politics This book details and analyses how the global elite network operating around Ukraine at this time produced the three unusual outcomes associated with the agreed EU IMF policy agenda GM agriculture fracking and a regime change It contributes to the analysis of how global elite networks operate and power works in international

relations and also enhances how the tumultuous politics of Ukraine in the current century are understood The subject of this book is fairly controversial and is a high profile current political problem Looking at these issues through the analytical framework of social networks brings forward a welcomed investigation into agency in international studies The attention to personal and political ties of mutual interdependence differs from more commonly used mainstream accounts of global politics that rely on US versus Russia narratives or on corporate elites pursuing business deals This book shows how close ties of social acquaintance and political economic compacts prove crucial to understanding how the key issue areas evolved This book advances the understanding of how power works in international politics showing how it is built through different forms It also advances the understanding of how global elite networks are formed and operate along with specific investigation into the importance of gatekeepers and thus explains the international political economy of Ukraine at a key moment and should prove invaluable to many academic and popular explanations **Everyone Breaks These Laws**
