Read the poem below and answer the questions that follow.

*Trust is fragile
It is a thin shiny crystal sheet of glass,
It is like mom's fine china
As delicate as a dragonfly's wing
When carrying eggs your steps are slow and careful,
One step a minute
This is how you treat someone's trust
It is not something to take advantage of,
It is not a cast iron skillet that will withstand intense pressure
Or an inexpensive object which can easily be replaced.
When you break someone's trust-
Poof, it's gone.
You may never get it back
It disappears down the road of no return
Where it is destroyed, derelict and doomed.*
