Loans and Discounts, 1918 **An Introduction to Fashion Retailing** Dimitri Koumbis, 2021-03-25 If you're taking your first steps into the fast-paced world of retail then merchandiser, store designer, retailer and educator Dimitri Koumbis is the ideal guide. In *An Introduction to Fashion Retailing* he'll walk you through everything from the history of retail design to the intricacies of consumer behavior, fast fashion and corporate social responsibility. You'll also learn professional techniques through detailed case studies of international retailers including LVMH, Estée Lauder and ASOS. This revised edition includes expanded coverage of omnichannel retail approaches, retail KPIs as well as an outline of future retail trends in brick and mortar, e-commerce and technology. There's also a whole new chapter introducing visual merchandising, expanding on the importance of the store's overall design and visual representation of products. *Fashion Retailing* Dimitri Koumbis, 2014-09-25 Throughout modern history retailers have opened their doors to consumers providing them with goods and services that satisfy both rational and emotional needs. They do this by evoking a customer's sensory system to create memorable experiences that will entice shoppers to visit again and again. Starting with a brief overview of the history of retail, market research, site selection and retail typology are then discussed. The differences between on-site and off-site retailing are distinguished and multi-channel approaches that have been used in retail test markets as a means to cost-effective growth within the industry are explored with specific reference to how technology has created a new formula within a stagnant model. *Fashion Retailing* further explores back-of-house functions such as human resources, hiring, payroll, job descriptions and salaries and loss prevention from a management standpoint. Front-of-house functions including merchandising, product analysis, fixturing, fixture sales, tracking, visual merchandising, seasonal displays, windows, mannequins, circulation patterns and the relationship between the merchandising and management teams in driving overall sales and brand image are explored across different retailers. Readers will gain a thorough understanding of how the retail model operates in an effort to continually capture the ever-changing market as well as an insight into corporate social responsibility, CSR and brand sustainability. *Twitter Marketing For Dummies* Kyle Lacy, 2011-03-01 Get the latest tweets, tools, tips and techniques and kick-start your Twitter marketing campaign.
