Remote Jobs Tok Trending Deal:

Emerging Work Trends in Urban India Nidhi Tandon, Pratyusha Basu, Omkumar Krishnan, Bhavani R.V., 2022-03-10 This book offers an overview of India's emerging digital economy and the resulting challenges and opportunities for urban workplaces. It examines contemporary economic and social transformations in India by focusing on how new technologies and policies are shaping urban work practices and patterns. The book emphasizes inclusive and equitable practices that consider the needs of the formal and informal sector workforce as essential to India's urban development. Drawing on cross-disciplinary frameworks, it examines key issues related to work trends in the Indian urban economy and its digital landscapes, including Industry 4.0 and technology-labour nexus, smart cities and innovation, urbanism and consumerism, workplace transitions such as service industry and remote work, digital divide, skill development initiatives, and the impact of socio-economic inequalities and disruptions. The authors provide perspectives on the digital future of urban work in India and other emerging economies in the post-COVID-19 phase and underscore the importance of enacting balanced policies, remodelling institutions, and equipping the labour force for adapting to new demands related to future employability and investments. This book will interest students, teachers, and researchers of urban studies, urban sociology, sociology of work, labour studies, human and urban geography, economic geography, urban economics, development studies, urban development and planning, public policy, regional planning, politics of urban development, social and cultural change, urban sustainability, environmental studies, management studies, South Asian Studies, and Global South studies. It will also be useful to policymakers, non-governmental organizations, activists, and those interested in India and the future of the global economy. Remote Workplace Culture Sean O'Meara, Cary Cooper, 2022-03-03 The way we work has changed and a strong supportive company culture is key for success. When employees work remotely, even occasionally, HR professionals and business leaders need to think differently. Practitioners now need to motivate their workforce, support talent development, ensure an inclusive environment, and protect their employees' mental health, all without being in the same physical space. A strong and effective company culture that is built specifically with this purpose in mind is crucial. *Remote Workplace Culture* is a practical guide that shows how to achieve this and explains why simply replicating what used to happen in the office in a virtual environment doesn't work. This book shows how a strong culture for remote, hybrid, and flexible working helps attract the best talent, whether this is nationally or globally, and explains how to prioritize inclusion. There is also specific guidance on wellbeing initiatives, how to replace social learning in a hybrid or remote working culture, and how to avoid common pitfalls such as an overreliance on technology, the blurring of work-life boundaries, and a misunderstanding of remote working etiquette. Supported by case studies from BBC, Salesforce, leading financial services brands, and law firms, *Remote Workplace Culture* is essential reading for all HR professionals and business leaders needing to develop strong company culture in the new world of work. **Digital Nomads For Dummies** Kristin M. Wilson, 2022-08-23 Why work from home when you can work

anywhere Not all who wander are lost Digital Nomads For Dummies answers all your questions about living and working away from home short term or long term Become a globetrotter or just trot around your home country with the help of experienced digital nomad Kristin Wilson Millions of people have already embraced the lifestyle moving around as the spirit takes them exploring new places while holding down a job and building a fantastic career Learn the tricks of building a nomad mindset keeping your income flowing creating a relocation plan and enjoying the wonders of the world around you Learn what digital nomadism is and whether it s the right lifestyle for you Uncover tips and ideas for keeping travel fun while holding down a 9 to 5 Travel solo or with a family internationally or within your home country Create a plan so you can keep growing in your career no matter where you are If you re ready to put the office life behind you and the open road in front of you check out Digital Nomads For Dummies and get your adventure started

The Relentless Pursuit of Peace Max Coates, 2024-06-24 Mental Health is very much on the agenda This book demystifies a lot of the issues that can affect the majority It shows how small changes can bring significantly better outcomes

Personal Finance Blueprint; Budgeting, Saving, And Dept Freedom In One Year Barack A. Bender, What if your evenings and weekends could quietly build the life you ve always wanted without risking the one you already have Have you ever felt there s more you could be doing with your skills but didn t know where to start Do you worry that side hustles are oversaturated too risky or only work for other people What if one clear blueprint could show you how to turn what you already know into 10 000 a month step by step Side Hustle Revolution isn t another hype filled promise or overnight success fantasy It s a grounded practical and motivating roadmap written for real people with real jobs real bills and real dreams Barack A Bender takes you behind the scenes of how ordinary passions skills hobbies experiences can be transformed into profitable scalable side businesses Through relatable stories proven frameworks and hard earned lessons this book shows you how others broke free from financial stress without quitting their day jobs and how you can too You ll feel understood if you ve ever Wanted financial freedom but feared instability Felt stuck trading time for money Tried a side hustle before and failed Believed success required luck privilege or massive capital This book meets you where you are and walks with you forward

What This Book Helps You Achieve Build a profitable side hustle around your existing passion or skill Create consistent five figure monthly income without burnout Avoid common mistakes that cause most side hustles to fail Learn how to attract customers price confidently and scale smartly Design a business that gives you freedom fulfillment and control Grow quietly and safely without risking your primary income A Small Spoiler But Not the Whole Secret You ll discover why most people fail before they even start and how a simple mindset and execution shift can put you ahead of 90% of aspiring entrepreneurs One chapter alone could save you years of trial and error

But What If I Don t Have Time Money or Experience That s exactly who this book is for No time The blueprint is designed for busy schedules No money You ll learn how to start lean and grow sustainably No experience The process works even if you re starting from zero This isn t theory It s practical tested and realistic

Why This Book Matters Because financial freedom

shouldn't require burning out, quitting your job, or gambling your future. This book gives you clarity, confidence, and a proven path.

Nobody Cares About Your Career Erika Ayers Badan, 2024-06-11
The ultimate playbook for crushing it at work from the first CEO of Barstool Sports. She worked hand in hand with a founder who was a lightning rod for controversy. OK for stepping in it. She grew a chaotic company, Vanity Fair, called it a pirate ship housed over a dentist's office outside of Boston that published giveaway papers into a juggernaut with more than 5 billion monthly video views and 225 million followers valued at 550 million dollars. Erika Ayers Badan calls herself a token CEO, the rare female employee in the highest rank of a bro-roar sports and new media culture. She's also a massive student of work: how to do it, how to be effective at it, how to get noticed, how to crush it, how to figure out what you love and do it as a job. She's figured it out after big marketing jobs in large traditional corporations like Microsoft and AOL for herself; she's figured it out for friends; she's figured it out for the thousands of people who listened to her Barstool podcast, *Token CEO*, every week. And in this book, she's figuring it out for everybody else. With the verve and motivation of books like *YOU ARE A BADASS* and the smart, specific ideas of titles like *ATOMIC HABITS*, *NOBODY CARES ABOUT YOUR CAREER* is a real playbook. It's about how work really works and how you can get work to work for you. It's about thank-you notes and thankless tasks, the energy in meetings and energy vampires, how to pick a boss and how to get a boss to pick you. It's about being all in but not bringing your whole self to work; some of you is better left at home and becoming valuable to your workplace. It's about participating with your brain, your skills, your experience, and your willingness to pitch in and offer yourself up for something you may not even know how to do yet. It's about making your own luck at work. *NOBODY CARES ABOUT YOUR CAREER* is for first-time job seekers who think no company will ever want them; people stuck in second or third jobs who don't know how to move on to the next thing; people who have the job they thought was their brass ring but who discovered it's not all that. Her chapter titles include *Do Whatever Makes You Happy* and *F ck Anyone Who Says Otherwise*. Know What Your Company is Paying You to Do. Don't Be an Asshole at Work. The Messy Stuff. Being Human. Getting Drunk. Sex and Other Disaster Scenarios at Work. Feedback is a Gift. Feedforward is for wimps.

Popular Photography, 1983
[Screaming on the Inside](#) Jessica Grose, 2022-12-06
If this book feels like it's sounding the alarm on the state of American motherhood, well, that's because it is. *San Francisco Chronicle*. In this timely and necessary book, *New York Times* opinion writer Jessica Grose dismantles two hundred years of unrealistic parenting expectations and empowers today's mothers to make choices that actually serve themselves, their children, and their communities. Close your eyes and picture the perfect mother. She is usually blonde and thin. Her roots are never showing, and she installed that gleaming kitchen backsplash herself. Watch her TikTok for DIY tips. She seamlessly melds work, wellness, and home, and during the depths of the pandemic, she also ran remote school and woke up at 5 a.m. to meditate. You may read this and think it's bananas; you have probably internalized much of it. Journalist Jessica Grose sure had. After she failed to meet every one of her own expectations for her first pregnancy, she devoted her career to revealing how morally bankrupt so

many of these ideas and pressures are Now in Screaming on the Inside Grose weaves together her personal journey with scientific historical and contemporary reporting to be the voice for American parents she wishes she d had a decade ago The truth is that parenting cannot follow a recipe there s no foolproof set of rules that will result in a perfectly adjusted child Every parent has different values and we will have different ideas about how to pass those values along to our children What successful parenting has in common regardless of culture or community is close observation of the kind of unique humans our children are In thoughtful and revelatory chapters about pregnancy identity work social media and the crisis of the Covid 19 pandemic Grose explains how we got to this moment why the current state of expectations on mothers is wholly unsustainable and how we can move towards something better *Commerce Business Daily* ,2000 **Motor Trend** ,1983
