LABEAU,2024-10-21 The door opened slowly and leaning against the doorframe stood the man of my dreams People say things happen when you least expect them and it's true Because I certainly didn't expect to step up in a dream one night and meet Adrian a hot as sin charming flirtatious stranger His beauty is otherworldly and his seduction flawless for good reasons since he's an incubus Since my dad's death leaving me alone on this planet I've felt like I'm barely existing But what if this sex demon is precisely what I need to mend my heart and get my life back on track After all the deal he's offering me is quite simple he gets my energy I get mind shattering orgasms with no strings attached and just a little smudge on my soul I accept on two conditions he'll be my companion and for one month only But as time goes by what started as a casual fling turns into something so much deeper Despite my best efforts I find myself more and more drawn to Adrian every night The secrets the demon is keeping from me only add to the lure of the deeply wounded being I can sometimes see under his carefully constructed mask of seduction Now my life is a mess and my heart is in turmoil It doesn't help when I find out that my handsome colleague at work is crushing hard on me And I can't say I'm immune to Ethan's charms either As Adrian burrows his way into my life a little deeper each day I can't help but wonder if falling for a demon is really a good idea Will I be enough to quench his never ending hunger or will we have to find some unusual solution One thing is certain now that I've invited the supernatural into my life my world will never be the same for better and for worse **Never Mate a S x Demon** is the first novel of a series of four books and is destined for mature readers only for there are many graphic scenes of intimacy as well as some disturbing themes Adrian is hot as hell you might end up burned if you don't check the triggers before reading Oh one last thing mind the cliff You've been warned **Tangled Paths** Caroline Corvin,2022-10-07 It's her time to choose a path Or is time going to choose for her Sarah always put family first Now freed from self imposed exile in her hometown she's ready to jump back on the academic path she sacrificed for others three years ago Her history studies taught her that you

can't recreate the past so it's time to open her mind and perhaps her heart to the future. Richard has it all: money, power, and status. But the twenty-year path that took him to the top now sees him trapped in the company that got him there. Caught in the crossfire of his parents' marriage, Calum is carrying wounds so deep they may never heal. Seeking refuge on the mountain paths of his Scottish homeland has carried him through, and now an army career beckons. When Sarah's world collides with his, will it provide a final chance to leave his troubled past behind? But time has the power to choose. It gives and it takes away. When Sarah faces a life defined by loss, will time's tangled paths deliver her a second chance at happiness? *Tangled Paths* is the second novel in the *Tangled In Time* series but may also be read as a satisfying standalone.
