**Microtimes** ,1996 *UniForum Monthly* ,1994 APDA ,1994 *Long-haul and Access Networks, Optical Metro, and WDM* A. Lord,D. W. Faulkner,D. W. Smith,2001 This volume contains the proceedings of the NOC 2001 at Aadastral park UK June 26 29 2001 With about 70 papers this book highlights the gigabit ethernet PON developments and other work on standard broadband PONs such as dynamic bandwidth assignment There are 10 papers on optical packet switching and work on optical cross connects and DWDM for long haul systems is presented

Surveillance Law, Data Retention and Human Rights Matthew White,2024-09-16 This book analyses the compatibility of data retention in the UK with the European Convention on Human Rights ECHR The increase in the use of modern technology has led to an explosion of generated data and with that a greater interest from law enforcement and intelligence agencies In the early 2000s data retention laws were introduced into the UK and across the European Union EU This was met by domestic challenges before national courts until a seminal ruling by the Court of Justice in the European Union CJEU ruled that indiscriminate data retention was incompatible with EU law Since then however the CJEU has revised its position and made certain concessions particularly under the guise of national security This book focuses on data retention in the UK with the principal aim of examining compatibility with the ECHR This is explored through a variety of ways including providing an account of democracy and why secret surveillance poses a threat to it a history of data retention assessing the seriousness that data retention poses to fundamental rights the collection of rights that are affected by data retention which are crucial for a functioning democracy the implications of who can be obligated to retain and what to retain the idea that data retention is a form of surveillance and ultimately with all things

considered whether this is compatible with the ECHR The work will be an invaluable resource for students academics researchers and policy makers working in the areas of privacy human rights law and surveillance Network World,1995-06-05 For more than 20 years Network World has been the premier provider of information intelligence and insight for network and IT executives responsible for the digital nervous systems of large organizations Readers are responsible for designing implementing and managing the voice data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce **SRDS Consumer Magazine Advertising Source**,2006 **Network World**,1996-02-26 For more than 20 years Network World has been the premier provider of information intelligence and insight for network and IT executives responsible for the digital nervous systems of large organizations Readers are responsible for designing implementing and managing the voice data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce Network World,1997-03-24 For more than 20 years Network World has been the premier provider of information intelligence and insight for network and IT executives responsible for the digital nervous systems of large organizations Readers are responsible for designing implementing and managing the voice data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce **Network Magazine**,2001 *Buffer and Queue Protection in High-speed Network Routers* Fusun Ertemalp,2005 **Protocols for High-speed Networks, III** Björn Pehrson,P.
