The Digital Writing Workshop Troy Hicks, 2009. Where others have talked about new technologies and how they change writing, Troy Hicks shows how to use new technologies to enhance writing instruction. Chapters are organized around the familiar principles of the writing workshop: student choice, active revision, craft, publication beyond the classroom, and assessment of product and process. You'll learn to expand and improve your teaching by smartly incorporating new technologies like wikis, blogs, and other forms of multimedia. Throughout, you'll find reference to resources readily available to you and your class online.
