

Herzl

**Raphael Patai**

## Herzl:

Theodor Herzl: From Europe to Zion Mark H. Gelber, Vivian Liska, 2012-01-19 In 2004 the one hundredth anniversary of Theodor Herzl's death was commemorated throughout the world. The myth of Herzl as it has developed over the last century has perhaps become more important than the historical figure. This volume contains revised and expanded essays which were originally delivered as lectures at international Herzl centennial conferences in Antwerp, London, and Jerusalem. Topics treated include the Herzl myth, Herzl's nationalism and Zionism, his self-understanding and image, his authorship of comedies and philosophical tales, Herzl and Africa, as well as his reception in Israeli and other literature. Zweig films are also considered within this same context. *Theodor Herzl* Gideon Shimoni, Robert S. Wistrich, 1999 How and why did this highly assimilated Austro-Hungarian journalist and playwright arrive at his Zionist revelation in Paris in 1895? What was the connection between the pre-Zionist Herzl and his subsequent meteoric career as leader of the movement for Jewish national redemption? The path-breaking original essays in this volume, especially written by foremost Herzl scholars worldwide, provide novel and at times surprising answers to these and many more questions. *Theodor Herzl, a Memorial* Meyer Wolfe Weisgal, 1929 Gift of Rabbi W. Gunther Plaut. Theodor Herzl Jacques Kornberg, 1993-11-22 An original and brilliant thesis exposing a long misunderstood figure. A great book. Bernard Avishai. Excellent, a highly revealing portrait that demolishes Herzl, the icon. Michael Marrus. Other biographers have illuminated aspects of Herzl's life, but none has been able to produce the kind of intellectual biography that we have here. Jacques Kornberg has done an admirable job of plumbing the depths of Herzl's mind to try to come to an understanding of just why he became a Zionist and why he was literally consumed with promoting Zionist goals. Cithara. With compassion and critical balance, placing his subject well within his Austrian milieu, Kornberg analyzes Herzl's rhetoric, tergiversations, and profound ambivalence over his politics and identity. Choice. A masterful display of the sources. American Historical Review. Stimulating, provocative, and agreeably iconoclastic. Powerful and compelling. German History. A novel and provocative explanation of Theodor Herzl's founding of Zionism as a way of resolving his personal crisis over his Jewish identity. Herzl Shlomo Avineri, 2013-12-12 The first biography in more than a generation of the father of modern political Zionism and in effect the state of Israel. Drawing extensively on his diaries, as well as his published works, this intellectual biographical follows Herzl's transformation from a private person into the founder and leader of a political movement which made the quest for a Jewish state into a player in international politics. Contrary to the conventional view which saw the Dreyfus affair as the trigger for Herzl's loss of belief in the promise of Jewish emancipation, Avineri shows how it was the political crisis of the Austro-Hungarian Habsburg Empire, torn apart by contending national movements which convinced Herzl of the need for a Jewish polity. In response to the wide resonance for his 1896 *THE JEWISH STATE*, Herzl convened the first Zionist Congress in Basel in 1897, which established the World Zionist Organization with its representative and elected institutions. This in turn became the foundation for Israel's democratic political system. In his efforts to gain

international support for a Jewish state Herzl met with the Ottoman Sultan the German Emperor Wilhelm II Pope Pius X British Russian and German ministers as well as an enormous number of other government and public opinion leaders of most European countries By the time of his early death in 1904 at the age of 44 Herzl succeeded in putting Zionism on the map of world politics no longer an esoteric idea held by a small group of Jewish intellectuals in Eastern Europe Theodor Herzl Derek Jonathan Penslar,2020-02-18 From the prizewinning Jewish Lives series a masterful new biography of Theodor Herzl by an eminent historian of Zionism An excellent concise biography of Theodor Herzl architect of modern Zionism An exceptionally good highly readable volume Publishers Weekly starred review An engrossing account of a leader who by converting despair into strength gave an exiled people both political purpose and the means to attain it Benjamin Balint Wall Street Journal The life of Theodor Herzl 1860 1904 was as puzzling as it was brief How did this cosmopolitan and assimilated European Jew become the leader of the Zionist movement How could he be both an artist and a statesman a rationalist and an aesthete a stern moralist yet possessed of deep and at times dark passions And why did scores of thousands of Jews many of them from traditional observant backgrounds embrace Herzl as their leader Drawing on a vast body of Herzl s personal literary and political writings historian Derek Penslar shows that Herzl s path to Zionism had as much to do with personal crises as it did with antisemitism Once Herzl devoted himself to Zionism Penslar shows he distinguished himself as a consummate leader possessed of indefatigable energy organizational ability and electrifying charisma Herzl became a screen onto which Jews of his era could project their deepest needs and longings About Jewish Lives Jewish Lives is a prizewinning series of interpretative biography designed to explore the many facets of Jewish identity Individual volumes illuminate the imprint of Jewish figures upon literature religion philosophy politics cultural and economic life and the arts and sciences Subjects are paired with authors to elicit lively deeply informed books that explore the range and depth of the Jewish experience from antiquity to the present In 2014 the Jewish Book Council named Jewish Lives the winner of its Jewish Book of the Year Award the first series ever to receive this award More praise for Jewish Lives Excellent New York times Exemplary Wall St Journal Distinguished New Yorker Superb The Guardian **Theodor Herzl's Zionist Journey - Exodus and Return** Mordechai (Motti) Friedman,2021-06-08 This book provides in depth investigation into the secret of Theodor Herzl s success in changing the fate of the Jewish People More than a biography the book delves deep into Herzl s personality and physique which left a deep impression on his followers and opposers alike The book traces Herzl s transformation from a newspaper editor and playwright into a man of vision and action the star in a drama he could never write for the stage **A Jewish State** Theodor Herzl,2022-08-10 In A Jewish State Theodor Herzl presents a compelling and visionary blueprint for the establishment of a Jewish homeland articulated in a fervent literary style that melds passionate advocacy with pragmatic solutions Written in 1896 and contextualized within the rising tides of nationalism and anti Semitism in Europe Herzl s work argues for the political and social ramifications of establishing a sovereign Jewish state as a

refuge for the Jewish people It offers a blend of polemic manifesto and sociology challenging contemporary audiences to confront the issues of Jewish identity and national self determination Theodor Herzl often referred to as the father of modern political Zionism was a Hungarian journalist and playwright whose personal experiences with anti Semitism galvanized his commitment to Jewish statehood His encounters with the pervasive discrimination against Jews in Europe particularly during the Dreyfus Affair in France profoundly influenced his thought and activism leading him to convene the First Zionist Congress in 1897 Herzl s profound intellectual engagement with themes of national identity and social justice is palpably evident throughout his writings This indispensable work is recommended for readers interested in Jewish history political movements or the evolution of nationalist thought Herzl s prescient ideas continue to resonate today making *A Jewish State* not only a foundational text of Zionism but also a critical work for understanding contemporary discussions about identity and belonging

*The Jewish State* Theodor Herzl,2024-02-10 *The Jewish State* is a classic Jewish history text by Theodor Herzl It is astonishing how little insight into the science of economics many of the men who move in the midst of active life possess Hence it is that even Jews faithfully repeat the cry of the Anti Semites We depend for sustenance on the nations who are our hosts and if we had no hosts to support us we should die of starvation

***The Imaginary Voyage*** Shimon Peres,1999 Ex Israeli Premier Shimon Peres takes us on an imaginary trip around Israel with Zionist leader Theodore Herzl Together they contrast their impressions of this young country

*Theodor Herzl* Jacob De Haas,1927 ***Theodor Herzl***

Theodor Herzl,Bonni-Dara Michaels,1997 ***Theodor Herzl, A Biographical Study*** Jacob De Haas,1927 ***Theodor Herzl, the Road to Israel*** Miriam Gurko,1988 Theodor Herzl was a powerful determined man who believed that his life s mission was to establish the Jews in their land A fascinating biography of Herzl s thoughts and philosophy Ages 8 12

***Theodor Herzl and the Origins of Zionism*** Ritchie Robertson,Edward Timms,1997 This volume commemorates Theodor Herzl the Viennese journalist and writer who incongruously founded Zionism as a political movement which led ultimately to the founding of the State of Israel The contributors look at Herzl and seek to place him in historical context In particular they examine his relations with Viennese contemporaries his use of his position as a prominent journalist to obtain audiences with world leaders his negotiations with Germany and Britain to obtain a national territory for the Jews and his attempts to analyze and reshape the Jewish character in his fictional writings

*Herzl's Vision* Shlomo Avineri,2014 Traces the life of the influential early Zionist figure as well as the intellectual evolution that led him to write *The Jewish State* in 1896 in which he called for a Jewish homeland

***Herzl*** Amos Elon,2019-07-31 Born in Budapest to a well to do assimilated Jewish family Theodor Herzl 1860 1904 and his family moved to Vienna when he was 18 He studied law before he began writing plays and pieces of journalism Herzl became the Paris correspondent for Vienna s leading newspaper the *Neue Freie Presse* and covered the Dreyfus affair which shocked and galvanized him to write *The Jewish State* An Attempt at a Modern Solution of the Jewish Question published in 1896 After the first Zionist congress of 1897 Herzl wrote in his diary In Basel I

founded the Jewish state If I said this aloud today I would be answered by universal laughter Perhaps in five years and certainly in fifty everyone will agree A great dramatic biography Alfred Kazin The New York Times Any reader familiar with the sources can appreciate the brilliance restraint and fidelity of Elon s narrative the excitement of events and the quality of their prime mover come through admirably The New Republic You could not put the book down without admiring Theodor Herzl s courage and practical achievements his romance turned into a Congress a bank a diplomacy Bernard Avishai The New Yorker A quite astonishing portrait positively rewarding Kirkus Reviews Elon s 1975 biography of Herzl vividly portrayed the man with all his quirks inventiveness and shortcomings Lawrence Joffe The Guardian considered one of the best biographies to date of Zionist founder Theodor Herzl Benjamin Spier Jerusalem Post arguably the best biography ever written of the founding father of Zionism Theodore Herzl Tom Segev Ha aretz A fascinating book it has the fascination of a novel on the grand scale Arthur Miller Washington Post A skillfully written human look at the man whose life reads like a novel Miami Herald *Herzl Year Book* Raphael Patai,1971 **The Zionist** ,1907 *The Jewish Forum* ,1928
