**Speaking: Questions and Answers** Juan FERNÁNDEZ, 2019-05 IN THIS BOOKLET YOU WILL FIND THE MOST USUAL QUESTIONS IN THE ORAL PART OF THE APTIS EXAM TOGETHER WITH MODEL ANSWERS THESE ANSWERS ARE INTENDED TO HELP THE STUDENT CREATE A PERSONAL STRATEGY TO BE SUCCESSFUL IN THE SPEAKING TEST OF THE APTIS EXAMINATION *Teacher Involvement in High-Stakes Language Testing* Daniel Xerri, Patricia Vella

Briffa, 2018-04-27 This book advocates that teachers should play an active role in high stakes language testing and that more weight should be given to teacher judgement This is likely to increase the formative potential of high stakes tests and provide teachers with a sense of ownership The implication is that the knowledge and skills they develop by being involved in these tests will feed into their own classroom practices The book also considers the arguments against teacher involvement e.g. the contention that teacher involvement might entrench the practice of teaching to the test or that teachers should not be actively involved in high stakes language testing because their judgement is insufficiently reliable Using contributions from a wide range of international educational contexts the book proposes that a lack of reliability in teacher judgement is best addressed by means of training and not by barring educators from participating in high stakes language testing It also argues that their involvement in testing helps teachers to bolster confidence in their own judgement and develop their assessment literacy Moreover teacher involvement empowers them to play a role in reforming high stakes language testing so that it is more equitable and more likely to enhance classroom practices High stakes language tests that adopt such an inclusive approach facilitate more effective learning on the part of teachers which ultimately benefits all their students
