## **Defiance Savitri Devi:**

**Defiance** Savitri Devi, 2021-04-12 Defiance is Savitri Devi's vivid and impassioned memoir of her arrest, trial, and imprisonment on the charge of distributing National Socialist propaganda in Occupied Germany in 1949. Sentenced to three years imprisonment, Savitri Devi was released early at the request of the government of Indian Prime Minister Jawaharlal Nehru. Defiance is Savitri Devi's most readable book. It is not primarily a work of philosophy or history but a gripping first-person narrative that often reads like a novel. Defiance does, however, contain Savitri Devi's most profound and moving philosophical meditation, "The Way of Absolute Detachment," in which she uses the teachings of the Bhagavad Gita to console herself before the prospect of the destruction of her writings and to explain the proper Aryan view of the relationship between duty and practical consequences. Reading Defiance, one quickly understands why the Allies imprisoned Savitri Devi and once she was behind bars, tried to keep her away from the other political inmates: her spirit of defiance is contagious. For years, Defiance was almost impossible to find. Published in a tiny edition by Savitri Devi's husband, A. K. Mukherji, in Calcutta in 1951, it was distributed privately by the authoress to her friends and comrades. A second edition was published in 2008 by the Savitri Devi Archive. This third edition reprints the second with a few corrections.

*Defiance* Savitri Devi, 2015-02-08 First published in Calcutta in 1951, this extraordinary semi-autobiographical work is the day-to-day account of Savitri Devi's adventure into Germany in 1948 to distribute 11,000 posters and leaflets urging the occupied German people to hold fast to National Socialism. Devi entered Germany from Denmark on June 15, 1948, but she was eventually arrested, sentenced to three years imprisonment by the Occupation powers, and eventually served eight months in Werl prison, where she met, amongst others, famous female SS member and camp guard Hertha Ehlert, then serving 15 years, and to whom this book is dedicated. This work contains not just the details of her arrest and imprisonment but also a great many personal details of her life and her worldview as expressed in discussions with fellow prisoners and with herself alone in her cell. This book is merely an account of my arrest and trial in western occupied Germany in early 1949 on the charge of Nazi propaganda and of my subsequent life in jail. The glimpse one gets in it of western occupied Germany is a glimpse of Germany through my eyes, i.e. through the eyes of a non-German follower of Adolf Hitler, from the author's foreword.
