Recovering from her shock, Bianca suspects Jolyn may have been poisoned before coming to her, but the local constable is not so easily convinced. To clear her name and keep her neck free of the gallows, Bianca must apply her knowledge of the healing arts to deduce exactly how her friend was murdered and by whom, before she herself falls victim to a similar fate. Unique characters, a twisty plot, and a bold, bright heroine add up to a great debut for Mary Lawrence's *The Alchemist's Daughter*. Every few decades a book is published that changes the lives of its readers forever. This is such a book, a beautiful parable about learning to listen to your heart, read the omens strewn along life's path, and above all, follow your dreams. One day he finds the courage to follow his dreams into distant lands, each step galvanised by the knowledge that he is following the right path, his own. The people he meets along the way, the things he sees, and the wisdom he learns are life-changing.
