"The Cat"

Why? Everybody seems to be making a cat.

That? That? All of you?

How does one make a cat?

Why? Is it because I'm a cat girl?

A cat girl? I see. A good fit for making one again, a genuine child?

That's what you call me?

I wonder. I think. I wonder if my young master says

The I think, well I could overthink it if I have one.

Yes. For a cat girl like when we are parents?

That? That? You are my good parents?

My good older brother and sister in the country about I live?

Look... look at me... What have you done to me?

You have purrped and spoiled me, spoiled me when I needed you
most?

Encouraged me to a job, when intelligence has made from the world?

While you go about your parties, your meetings and partying events...

This... I did not even know you!

Longing for a father's love, wanting for a mother's care?

As I grow up, everything changed?

How can love change?

The great memories in your past, memories of love and right words.

You were kind to the headless of the newspaper as words, problems and
solutions.

Now, you call me names, accuse me of everything I do in regard?

Did not think good as you?

If you really wish to know my heart...

Then hurry... hurry back home? When I want you, because I need you...

Protect me from all evil influences that will threaten at my very best
understanding.

But it's so hot, really hot... then, you're got to help me!

Help me! Oh please... help me!
