When you beam together notes that make a triplet, you do not need to draw a slur or bracket over or below the 3. But you do need to draw a slur or bracket if the triplet group consists of separate notes, or of a mixture of notes and rests.

## Exercise 2

Add triplet signs where necessary to make these bars fit their time signatures.

Example

Example musical notation showing four rows of bars with time signatures and notes. The first bar of each row has a triplet sign over three notes. The second bar of each row has a circled '3' indicating where to add a triplet sign.
