COVER LETTER

Dear Hiring Manager,

I have always followed Google's mission to organize the world's information and make it universally accessible and useful. As a product manager, I am excited to bring my experience in cross-functional collaboration and strategic product development to your team.

In my current role at ABC Company, I spearheaded a comprehensive strategy review that aligned product development with customer market needs, resulting in a successful relaunch of our flagship product. This initiative not only increased user engagement but also led to a 15% growth in revenue. By establishing a data-driven decision-making process, my efforts resulted in a 20% reduction in development costs and a significant improvement in product quality.

I am eager to bring my track record of thoughtful product strategy and complex problem-solving to Google, where I can continue to grow and contribute to your mission. I am looking forward to discussing how my skills and experience align with your needs and how I can contribute to your team.

Best Regards,

Johnatan Wright
