Close Liaisons Anna Zaires, 2013-02-03 Demo http://youtu.be/YfUNCwJT_Wo Regular version of the book <https://www.createspace.com/4021797> Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person's mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer's impression is spot on The book can be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimmicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimmicked version I usually give away a copy of an un gimmicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real un gimmicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the

methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding

Woke Love Book I
K.M.D.,2023-06-09 Shelby Ford Late forties Project Director from Perth The contractor Jaxon Reid Mid fifties Entrepreneur from Texas The client A short term contract An unlikely encounter A joy A lie A learning Shelby After a traumatic childhood and many failed relationships Shelby undertakes a journey of reflection and healing and builds a stable and secure life for herself Now fast approaching her fifties she dreams of exploring the world and experiencing new things She lands a short term contract overseas and takes her chance without hesitation Jaxon A man dedicated to his life mission and purpose A dedication that resulted in many failed relationships and a now noticeable silence in his heart and his home He longs for the one thing that has always eluded him a solid stable commitment A life story He knows it's time to forgive the past and open himself up to love again He also knows that if he wants a different outcome he must do it differently this time A chance encounter forces them both to reflect on what they've learned and what they need and want from life and love As Jaxon and

Shelby explore their needs and desires Shelby is forced to admit that she s living with a secret that requires her to show her courage close a difficult chapter and learn new life lessons before she can be ready to receive the joy on offer If you believe in the power of desire that you are enough that the best love stories are life stories and if you re open to a new playlist for love this is the book for you ENDLESS LOVE, ROMANCE , AND INTIMACY Bukenya Siraje, As a society we are embarrassed by love We treat it as if it were an obscenity We reluctantly admit to it Even saying the word makes us stumble and blush Love is the most important thing in our lives a passion for which we would fight or die and yet we re reluctant to linger over its names Without a supple vocabulary we can t even talk or think about it directly As the title ENDLESS LOVE ROMANCE AND intimacy indicates we want to live in a culture where love can flourish We yearn to end the lovelessness that is so pervasive in our society This book tells us how to return to love ENDLESS LOVE ROMANCE AND intimacy provides radical new ways to think about the art of loving offering a hopeful joyous vision of love s transformative power it lets us know what we must do to love again Gathering love s wisdom it lets us know what we must do to be touched by love s grace THERE ARE NOT many public discussions of love in our culture right now At best popular culture is the one domain in which our longing for love is talked about Movies music magazines and books are the place where we turn to hear our yearnings for love expressed Yet the talk is not the life affirming discourse of the sixties and seventies which urged us to believe All you need is love Nowadays the most popular messages are those that declare the meaningless of love its irrelevance A glaring example of this cultural shift was the tremendous popularity of Tina Turner s song with the title boldly declaring What s Love Got to Do with it I was saddened and appalled when I interviewed a well known female rapper at least twenty years my junior who when asked about love responded with biting sarcasm Love what s that have never had any love in my life Youth culture today is cynical about love And that cynicism has come from their pervasive feeling that love can not be found Expressing this concern in When All You ve ever Wanted isn t Enough Harold Kushner writes I am afraid that we may be raising a generation of young people who will grow up afraid to love afraid to give them selves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out I am afraid that they will grow up looking for intimacy without risk for pleasure without significant emotional investment They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy Young people are cynical about love Ultimately cynicism is the great mask of the disappointed and betrayed heart When I travel around the nation giving lectures about ending racism and sexism audiences especially young listeners become agitated when I speak about the place of love in any movement for social justice *Enslave: A Steamy Forbidden Lovers Vampire / Fae Paranormal Romance* Felicity Heaton, 2020-10-31 His determination to succeed in business has left no room in his life for love Now a beautiful and deadly succubus has teleported into his dark decadent world and is in danger of enslaving his heart Andreu s future entails opening a theatre like Vampirerotique gaining wealth women and power not shackling himself to a single female but he cannot deny the
