

Ultimate Sleep Hacks

Put your phone down 2 hrs before bed. You'll thank us tomorrow, we promise.

Bust out the aromatherapy. And breathe in and out the zen vibes.

Use a weighted blanket. It's like getting tucked in with a giant hug.

Sleeping masks are equal parts fashionable and functional.

Try a white noise machine or sleep meditation to knock out in an instant.

Turn the TV off. That next episode will be just as good in the morning.

Get in the nighttime flow with some restorative yoga.

Save the intense workouts for earlier in the day. That adrenaline rush won't help you sleep.

Hack It (Sleep) Martin Moller, 2020-01-12 How do you wake up in the morning Feeling lethargic like you didn t have enough sleep Hitting the snooze button to catch a few extra minutes which turns into an hour Now you re running late You re rushing through a shower grabbing a cup of coffee to go already feeling stressed and you haven t even started the day At work you find it hard to focus You have so much on your to do list that you re starting to freak out If you re like most people more trouble lines up after lunchtime The sugar crash kicks in

from that rushed coffee and you're starting to feel sleepy. You chug another cup of coffee but it doesn't change a thing. That evening you're full of energy. You can't fall asleep so what do you do? You pick up your phone and pass the time on news and social media. Before you even realize it, it's past midnight and you feel guilty. You've tried everything but the cycle just keeps going on and on like a mouse running on a hamster wheel. You've tried self-development techniques, you tried to change your habits but you still fail to change anything. Listen, what I'm about to share with you are cheat codes that allow you to maximize your true potential and unleash the best version of yourself all with the use of modern science and technology. But first, you have to understand that the reason why you get tired easily and are unable to focus is not your fault. It could be the result of changes in the things around you like the air you breathe, the water you drink, the food you eat, and the way you sleep. Your smartphone and social media could also be to blame. Hours with that artificial blue light interrupt your natural sleep cycle, distracting you from doing things that really matter and interrupting your focus. With this book, you will be able to have access to tools that will give you more energy, provide better sleep, TRIPLE your productivity, radically improve the quality of your life, and unleash the best version of yourself. What you are about to get your hands on are the strategies the world's top achievers, the elite 1%, use to optimize the way they live and sleep. Your frustration ends here. This book is made for you if you want to hack your mind/body with biology technology, allowing you to increase your energy, boost your performance, and optimize your sleep. This life-changing blueprint contains 7 fast biohacking strategies to help you achieve exceptional performance, get better sleep for better rest, relaxation, and recuperation. So if you want to double your energy, perform at an elite level, and transform into a smarter, stronger, and happier you, then this book is what you've been searching for. Here's what you'll discover in this incredible book: Why it's difficult to get a good 8 hours of sleep every single night. An inexpensive smart device that reduces Blue Light exposure. Type of water that will boost your alertness, improve mental clarity, and increase energy levels. So if you want to optimize your sleep and wake up energized every morning, grab this book.
