Bomb Defusal :

Bomb Hunters: In Afghanistan with Britain's Elite Bomb Disposal Unit Sean Rayment, 2011-02-03 Afghanistan is just like Iraq hot dusty and full of people who want to kill you SSgt Simon Fuller Royal Engineer Search Advisor Bomb Hunters tells the story of the British army's elite bomb disposal experts men who face death every day in the most dangerous region of the most lethal country on earth Helmand Province Afghanistan

Captains of Bomb Disposal 1942-1946 T. Dennis Reece, 2005-04-28 Bomb disposal was the most technically demanding and dangerous job outside of combat during World War II Fewer than five thousand men did it in the American armed forces During the war their activities were shrouded in secrecy so that the Axis would not know what techniques the Allies were using When they came home the citizen soldiers and officers who had done the work preferred anonymity to publicity Furthermore the units they had served in often squads of six enlisted men and one officer had been too small and independent to attract much notice by American chroniclers official or unofficial of the biggest armed conflict in history Captains of Bomb Disposal 1942 1946 attempts to bring some long overdue public attention to this small group of neglected heroes It chronicles two of their two most significant achievements during the World War II era the contributions of the thirty three bomb disposal squads of the Ninth Air Force and the top secret intelligence mission code named Operation Hidden Documents In 1944 the Ninth Air Force was the most powerful tactical air force the world had ever seen In the European Theater of Operations ETO it controlled more bomb disposal personnel than any other high command Part I of Captains of Bomb Disposal 1942 1946 mainly describes training at the Bomb Disposal School at Aberdeen Proving Ground Maryland and the support thirty three bomb disposal squads gave the Ninth Air Force Interwoven in the narrative covering events after D Day is the wider context in which those squads and all of the Ninth Air Force operated namely air and ground forces pioneering a large scale close partnership which defeated the Germans in northwest Europe Also discussed is how Ninth Air Force bomb disposal squads helped handle the problem after V E Day of up to two million tons of surplus explosive ordnance in the theater Most of the sources for Part I on bomb disposal operations are unpublished unit histories Ninth and Eighth Air Force ordnance reports theater level reports and related documents at either the National Archives at College Park Maryland NACP or the Air Force Historical Research Agency AFHRA at Maxwell Air Force Base Alabama Part I is organized around but definitely not limited to the World War II experiences of Capt Thomas R Reece Now deceased and the author's father he was one of the four highest ranking bomb disposal officers in the Ninth Air Force Some of his official and personal papers are utilized Background material on the course of the war in the ETO is taken mainly from published official histories and for the Ninth Air Force also from unpublished documents at AFHRA One of the passages in Part I describes how two men in the 80th Bomb Disposal Squad Sgt Russell F McCarthy and T 5 Walter V Smith in 1945 won the Soldiers Medal Americas highest military award for bravery in action not against the enemy They were not the only bomb disposal personnel to win that award during the World War II era Part II revolves around Capt Stephen M

Richards who was commanding officer of the 123rd Bomb Disposal Squad attached during the war to General Patton's Third Army. Captain Richards and two combat engineers won the award for disarming a cache of booby-trapped documents outside Stechovice, Czechoslovakia, in February 1946 as part of Operation Hidden Documents. The trio was apprehended by Czechoslovak authorities while the other mission members took the documents to Germany and was only released after the documents were returned. Meanwhile, a diplomatic crisis was ignited as Czechoslovakia officially protested the American infringement of its sovereignty. Moreover, the Czechoslovak Communist Party used the controversy for propaganda purposes shortly before the national elections of May 1946. Shortly before the trio was released, the operation received fairly extensive publicity in **Unexploded Bomb** Arthur Bamford Hartley, 1959 Counter Strike David Knight, 2003 *He Who Dares Wins* Covers all Counter Strike missions with maps and key locations identified in depth counter-terrorist and terrorist tactics. Complete inventory of weapons and gear. Strategies for handling hostage and demolition missions. The best camping spots and sniper positions located **Consolidated instructions on the detection, reporting and disposal of unexploded bombs, shells and mines, Civil Defence Memorandum no.1, 1943**, 1942 **Nine from Aberdeen** Jeffrey M. Leatherwood, 2012-03-15 In Tunisia with II Corps Lt John Randall locates a downed German plane and demolishes two live bombs still mounted on the wreckage. In Italy, Capt Ronald Felton's team contends with dreaded Butterfly Bombs left behind to menace the US 5th Army Landing with the 6th US Special Engineers Brigade. Capt Jesse Donovan's squad braves deadly 88mm shells in pursuit of enemy rockets on Utah Beach. Serving with the 9th Army Air Force in France, Capt Thomas Reece survives a close encounter with a German landmine. Capt Joseph Pilcher joins in the 78th Infantry's final assault on a dam guarding the approaches to Germany. Sweeping the 11th Airborne Division's trail on Luzon, Lt Carl Cirocco's team is ambushed by the Japanese. Capt Richard Metress is dispatched to tackle enemy depth charges for the 19th Infantry Regiment on Mandog Hill. Capt Clifford Sarauw covers the US 10th Army's fateful landing on Okinawa. These aforementioned exploits are among the notable events contained in *Nine from Aberdeen*, the first academic history solely devoted to the US Army's Ordnance Bomb Disposal Branch from World War II. Shortly after Pearl Harbor, nine US Army officers and sergeants were sent from Aberdeen Proving Ground to war-torn England in order to learn the invaluable technical skills pioneered by the British Royal Engineers. Led by the colorful Thomas J. Kane, these nine men inaugurated the new Ordnance Bomb Disposal School. Conceived initially for homeland defense, Col Kane's branch eventually fielded over two hundred Army and Air Force bomb squads for overseas service. These courageous officers and men were forerunners of today's Explosive Ordnance Disposal (EOD) specialists responsible for supporting the US military during combat operations and for preserving the lives of noncombatants at all other times. Using documents and photographs, many from personal collections as well as oral interviews, this work presents a cross-section of US Army and Air Force operations spanning three major theaters: Mediterranean, European, and the Pacific. Special emphasis is given to the European Theater where Col Kane served as Gen

Eisenhower's chief ETO bomb disposal officer Nine from Aberdeen also contains charts detailing campaign participations ordnance statistics and other significant data Command Sergeant Major James H Clifford Retired military consultant for the award winning film *The Hurt Locker* provides an afterword on the continuity of modern EOD *Statistical Report* New York (N.Y.). Police Department, 1946 **Ours to Hold it High** United States. Army. Infantry Division, 77th, 1947 *Bombs and Bombings* Thomas G. Brodie, 2005 This edition contains 56 additional new illustrations from actual cases to further describe the examples as reasons for the methods used in the text Written by an internationally recognized expert on bombs bombings and bomb disarmament this classic text serves as the primary reference on the subject for law enforcement criminal justice and security professionals in both the public and private sectors BOOK JACKET **Word Study**, 1928 *Atkinson's Evening Post and Philadelphia Saturday News*, 1963-10 The Pullman News, 1941-04 **Railway Signaling and Communications**, 1942 **The Report of the Adjutant General of the Commonwealth of Virginia for the Period...** Virginia. Dept. of Military Affairs, 1926 Contains organizational activities rosters of men serving in the guard financial data and other information relating to civil defense Army Ordnance, 1944 California. Court of Appeal (3rd Appellate District). Records and Briefs California (State)., *Railway Age*, 1942 **Germany and the Second World War**, 1990 Volume VII of the *Germany and the Second World War* series looks at Germany and her Japanese ally on the defensive after the tide of war turned in 1943 An exhaustive study of the air war over the Reich and the Luftwaffe's growing impotence is followed by an account of the invasion of occupied France and the Allies advance to Germany's borders A final section examines Japan's defeat and capitulation and the creation of a new order in the Far East By the spring of 1943 after the defeat at Stalingrad the writing was on the wall **California. Court of Appeal (1st Appellate District). Records and Briefs** California (State)., **Information Management & Technology**, 1996

Reviewing **Bomb Defusal** : Unlocking the Spellbinding Force of Linguistics
