You still haven't made a will sound familiar. Then this is the life admin guide you've been waiting for. Life admin can't be eliminated but it can be minimized, automated, and better shared within families. This no-nonsense book outlines a clear system to transform your life admin into managed order, helps you share the mental load with others, gives you game-changing tools, and small practical steps to follow. Breaks down life admin into Two Minutes Too Easy, Ten Minute Time Killer, or Hour of Power tasks, shows you the fastest ways to shop around for new providers, lets you focus on your major pain points, or do a complete life admin makeover. Working parents Mia and Dinah have marshalled their professional expertise in innovation, finance, design, thinking, and operations to research best practices, trial the tech, and craft the most efficient processes to optimise their own life admin. The result: No more overwhelm, way more spare time, and thousands of dollars saved. Now it's your turn. PRAISE: This book is life-changing. Mia and Dinah's practical, wise, and clever advice will help you to start important conversations with your partner or children around the day-to-day tasks that have shackled women for centuries. Tracey Spicer, author and broadcaster. My stress levels subsided from the opening page. Helen McCabe, founder FUTURE WOMEN and former editor in chief The Australian Women's Weekly. Life Admin Hacks is for any woman who has ever felt completely squashed by the mental load of modern life. It will teach you how to streamline and conquer all the boring bits so you can get on with the actual fun of living. It's basically Mrs Beeton's Guide to Household Management for modern women, and every home needs a copy. Bron Maxabella Mandile, publisher MUMLYFE. This book flips the switch on life admin as we know it, and the perpetual expectation on women to do it all. This book will streamline your life and support you to share the sometimes crippling mental load. Tarla Lambert, WOMEN'S AGENDA. I absolutely love this book, and I think it's essential for ambitious and working women. It spells out solutions to life admin rather than just lamenting the problem. Game-changing. Mia and Dinah show you how to take small steps with big impact. They lay out the importance of sharing the load when it comes to admin, as well as domestic duties. It breaks down the intersection of parenting, household duties, and life admin. So many of us feel frustrated and overwhelmed at the moment. It is a must-read for women.
