The Digital Is Kid Stuff Josef Nguyen, 2021-12-28 How popular debates about the so called digital generation mediate anxieties about labor and life in twenty first century America The children are our future goes the adage a proclamation that simultaneously declares both anxiety as well as hope about youth as the next generation In The Digital Is Kid Stuff Josef Nguyen interrogates this ambivalence within discussions about today s digital generation and the future of creativity an ambivalence that toggles between the techno pessimism that warns against the harm to children of too much screen time and a techno utopianism that foresees these digital natives leading the way to innovation economic growth increased democratization and national prosperity Nguyen engages cultural histories of childhood youth and creativity through chapters that are each anchored to a particular digital media object or practice Nguyen narrates the developmental arc of a future creative laborer from a young kid playing the island fictions of Minecraft to an older child learning do it yourself skills while reading Make magazine to a teenager posting selfies on Instagram to a young adult creative laborer imagining technological innovations using design fiction Focusing on the constructions and valorizations of creativity entrepreneurialism and technological savvy Nguyen argues that contemporary culture operates to assuage profound anxieties about and to defuse valid critiques of both emerging digital technologies and the precarity of employment for creative laborers in twenty first century neoliberal America

The New Advertising Valerie K. Jones, Ruth E. Brown Ph.D., Ming Wang, 2016-09-19 The era of big data has revolutionized many industries including advertising This is a valuable resource that supplies current authoritative and inspiring information about and examples of current and forward looking theories and practices in advertising The New Advertising Branding Content and Consumer Relationships in the Data Driven Social Media Era supplies a breadth of information on the theories and practices of new advertising from its origins nearly a quarter of a century ago through its evolution to current uses with an eye to the future Unlike most other books that focus on one niche topic this two volume set investigates the overall discipline of advertising in the modern context It sheds light on

significant areas of change against the backdrop of digital data collection and use. The key topics of branding, content interaction, engagement, big data, and measurement are addressed from multiple perspectives. With contributions from experts in academia as well as the advertising and marketing industries, this unique set is an indispensable resource that is focused specifically on new approaches to and forms of advertising. Readers will gain an understanding of the distinct shifts that have taken place in advertising. They will be able to build their knowledge on frameworks for navigating and capitalizing on today's fragmented, consumer-focused digital media landscape and they will be prepared for what the future of advertising will likely bring.

Mushroom News, 2018

[Pretty Unhealthy](#) Nikki Stamp, 2019-09-03

A heart surgeon and TV star investigates why our health is declining despite our obsession with fitness and the image of health. How have we messed up our relationship with food and exercise so badly? Despite an explosion in the number of gyms, health foods, and activewear, we are more obese, less active, more stressed than ever before. We obsess over looking healthy, but our health is getting worse. Why did we start equating beauty with health? And is it possible to be fit and fat? Equipped with Instagram accounts and blogs, online wellness experts lead an army of followers towards what is labelled health, but might actually be far from it. We photograph ourselves and our food, but aren't sure whether we like the images until someone else likes them first. It seems all this health and wellness is making us unhappy, poor, and pretty unhealthy instead.

Heart surgeon and health commentator Dr. Nikki Stamp unpicks the web of online pseudoscience and urges us to take back our health from the people who don't value it as much as we do. She explores the secret of long-term motivation for healthy diet and exercise and shares the scientific value of self-kindness for true physical and mental health.

[The Plus One](#) S.C. Lalli, 2024-08-13

White Lotus meets The Guest List in international bestselling author S.C. Lalli's next thrilling novel where two business moguls were set to be married in the biggest event of the year until they're both found murdered the day before the wedding and a social outsider must unravel the mystery before her own hidden agenda is revealed. The wedding of influencer Radhika Singh and hotel developer Raj Joshi, a week-long affair at a luxury resort in Cabo, won't just be the event of the season; it will also mark the union of two powerful and wealthy Indian American families. Everyone who matters will be there. The outfits will be couture. World-renowned chefs and decorators will be flown in. No expense will be spared for what Radhika and Raj have coined R.R., a week of rest, relaxation, and celebration of their love. Shaylee Shay Kapoor is an outsider with an agenda of her own, but she just so happens to be dating Raj's best friend, Caleb Prescott III, and is the unwelcome plus one at the wedding. Then, on the day before the ceremony, Raj and Radhika are found dead in their luxury villa, both with gunshot wounds to the head. Chaos descends on the hotel. Shay, the apparently devoted girlfriend, stays by Caleb's side as the investigation unfolds while family and close friends grieve and accusations run wild. The police believe the murders are a drug cartel hit, but the doors to the couple's villa have state-of-the-art locks. There was no way for the murderer to slip in. The only ones who had a key were the bride's sister.

the best men and the wedding coordinator Shay may be an outsider and she definitely has secrets of her own but she seems to be the only person with enough perspective to untangle everyone's lies and discover why anyone would want the bride and groom dead
