

# THE APOCRYPHA

**The Apocrypha is heretical; it promotes necromancy, purgatory, and works based salvation. Even more, it contains historical blunders, contradictions, and reads like a legend. The Apocryphal books were written during the “silent years” of no living prophet. Jesus never quoted from it, the NT never cites it, and the Jews and Early Church rejected it. The Apocrypha is uninspired and should be excluded from the Holy Bible!**
