The Rise of the Algorithms John M. Jordan,2024-03-19 The meteoric rise of online video is reshaping the competition for human attention The Rise of the Algorithms argues that this new technology has changed the way we interact with others our relationships with public institutions and our very own behaviors and psyches In tracing the origins and evolution of online video John M Jordan examines the mechanics and the ethical stakes of online video platforms especially YouTube and TikTok but also others such as Twitch Tracing the use of algorithms pioneered by Facebook and Google and so successfully exploited by TikTok s corporate parent ByteDance Jordan shows how these platforms now engineer human behavior with consequences for culture politics and identity Jordan argues that we are at an inflection point Until now we have proved as a society ill prepared or unwilling to address such problems as the power of digital platforms the personal cost of viral celebrity the invasion of privacy and the proliferation of disinformation The Rise of the Algorithms combines this urgent assessment with a clear eyed discussion of present challenges and recommendations for reclaiming our online futures A valuable resource for understanding the transformations that have been and will be brought by YouTube TikTok and similar platforms Jordan s timely book is a vital work for anyone who uses the internet and especially for policy makers technologists communication and media specialists and researchers who have a direct hand in determining the future of our online world

Deathly (De)Vices Dillon T. Thornton,2026-01-08 Vainglory envy sloth avarice wrath gluttony and lust To study the seven deadly sins or capital vices is no novel endeavor Vice lists like this one have circulated for centuries But the innovations of today constitute a unique challenge In this technocultural moment most people have on their persons nearly every waking second a device that possesses great power including the power to awaken the capital vices to de form people Christians young and old must come to think of technology in terms of spiritual formation They are inclined to think that they shape technology which of course is true But it is also true that technology shapes them in return Devices mimic Jesus call to discipleship Abide in me and I in you and the disciple of the lord called Digital will find that he or she is incrementally yet definitively fashioned into a new creation But not every new creation is a pretty one [Digital Transformation in Design](#)
