Read the short passage and answer the questions.

The Dog and the Shadow

It happened that a Dog had got a piece of meat and was carrying it home in his mouth to eat it in peace. Now on his way home, he had to cross a plank lying across a running brook. As he crossed, he looked down and saw his own shadow reflected in the water beneath. Thinking it was another dog with another piece of meat, he made up his mind to have that also. So he made a snap at the shadow in the water, but as he opened his mouth the piece of meat fell out, dropped into the water and was never seen more.

1. What animal was crossing a board?

2. What did the dog have in his mouth?

3. What did the dog see in the running brook?

Military Sexual Trauma: Current Knowledge and Future Directions Carolyn Allard,Melissa Platt,2014-06-11
Military Sexual Trauma Current Knowledge and Future Directions showcases the work of several prominent military sexual trauma MST researchers scholars and clinicians from across the United States A review of existing research and original empirical findings converge to indicate that MST contributes to a range of physical health problems complex posttraumatic responses and other mental health consequences above and beyond the effects of other types of traumatic experiences This collection also presents evidence suggesting that MST is often difficult to identify both within the individual military member and within the military population as a whole Recommendations are offered for addressing this problem In addition to the research review and empirical findings an evolutionary framework for understanding sexual assault of women in the military is presented Taken together this collection of works may inform MST intervention and prevention efforts This book was originally published as a special issue of *Journal of Trauma Dissociation* MES Eckhart Chrosciel,William Plumbridge,1992
Covers the preparation implementation and evaluation of MES training programmes and the preparation of training facilities
