Dispatches Michael Herr:

Dispatches Michael Herr, 2009-02-17 Written on the front lines in Vietnam *Dispatches* became an immediate classic of war reportage when it was published in 1977 From its terrifying opening pages to its final eloquent words *Dispatches* makes us see in unforgettable and unflinching detail the chaos and fervor of the war and the surreal insanity of life in that singular combat zone Michael Herr's unsparing unorthodox retellings of the day to day events in Vietnam take on the force of poetry rendering clarity from one of the most incomprehensible and nightmarish events of our time *Dispatches* is among the most blistering and compassionate accounts of war in our literature

Dispatches Michael Herr, 1978 [Dispatches](#) Michael Herr, 1989 Written on the front lines in Vietnam *Dispatches* became an immediate classic of war reportage when it was published in 1977 From its terrifying opening pages to its final eloquent words *Dispatches* makes us see in unforgettable and unflinching detail the chaos and fervor of the war and the surreal insanity of life in that singular combat zone Michael Herr's unsparing unorthodox retellings of the day to day events in Vietnam take on the force of poetry rendering clarity from one of the most incomprehensible and nightmarish events of our time *Dispatches* is among the most blistering and compassionate accounts of war in our literature

The Authorial Self of Michael Herr's Dispatches Jennifer A. Gilbert, 1994

Illumination Rounds Michael Herr, 2017-08-08 Fresh in his boots and three days in country Michael Herr is in a Chinook when a young soldier across from him is gunned It took me a month to lose that feeling of being a spectator to something that was part game part show Written in unforgettable and unflinching detail Herr captures the chaos and fervor of the war and the surreal insanity of life in that singular combat zone Selected from *Dispatches* one of the best books to have been written about the Vietnam War *The New York Times Book Review* and an instant classic straight from the front lines A Vintage Shorts Vietnam Selection An ebook short

The New York Times Book Review *The New York Times*, 2021-11-02 A delightful Vanity Fair collection from the longest running most influential book review in America featuring its best funniest strangest and most memorable coverage over the past 125 years Since its first issue on October 10 1896 *The New York Times Book Review* has brought the world of ideas to the reading public It is the publication where authors have been made and where readers first encountered the classics that have enriched their lives Now the editors have curated the *Book Review*'s dynamic 125 year history which is essentially the story of modern American letters Brimming with remarkable reportage and photography this beautiful book collects interesting reviews never before heard anecdotes about famous writers and spicy letter exchanges Here are the first takes on novels we now consider masterpieces including a long forgotten pan of *Anne of Green Gables* and a rave of *Mrs Dalloway* along with reviews and essays by Langston Hughes Eudora Welty James Baldwin Nora Ephron and more With scores of stunning vintage photographs many of them sourced from the *Times*'s own archive readers will discover how literary tastes have shifted through the years and how the *Book Review*'s coverage has shaped so much of what we read today

Twentieth-Century and Contemporary American

Literature in Context Linda De Roche,2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters A rich selection of primary documents and background material provides indispensable information for student research

Combat Death in Contemporary American Culture Agnieszka Soltysik Monnet,2020-12-16 *Combat Death in Contemporary American Culture* Popular Cultural Conceptions of War since World War II explores how war has been portrayed in the United States since World War II with a particular focus on an emotionally charged but rarely scrutinized topic combat death Agnieszka Soltysik Monnet argues that most stories about war use three main building blocks melodrama adventure and horror Monnet examines how melodrama and adventure have helped make war seem acceptable to the American public by portraying combat death as a meaningful sacrifice and by making military killing look necessary and often even pleasurable Horror no longer serves its traditional purpose of making the bloody realities of war repulsive but has instead been repurposed in recent years to intensify the positivity of melodrama and adventure Thus this book offers a fascinating diagnosis of how war stories perform ideological and emotional work and why they have such a powerful grip on the American imagination

[Summary of Michael Herr's Dispatches](#) Everest Media,2022-04-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I knew one 4th Division Lurp who took his pills by the fistful downs from the left pocket of his tiger suit and ups from the right one to cut the trail for him and the other to send him down it He told me that they cooled things out just right for him 2 I was waiting for a helicopter to take me out of there The rest of the team had caught a chopper straight into one of the lower hells but it was a quiet time in the war mostly it was lz s and camps 3 The more you moved the more you saw and the more you saw the more you risked death and mutilation The system was geared to keep you mobile if that was what you wanted but it began to make sense only if you were there to begin with 4 Flying over jungle was almost pure pleasure but flying over jungle and landing in it was always painful I never belonged in there Maybe it was what the people had always called it Beyond

Ernest Hemingway's In Our Time and Michael Herr's Dispatches: Collections of Perspectives on the Great War and the Vietnam War ,2007

Airpower in Literature Kimberly K. Dougherty,2022-08-08 The first

century of airpower has ended yet few critics have addressed the literature that chronicles its human toll Airpower in Literature Interrogating the Clean War 1915 2015 offers fresh insight into this airpower century by placing literature of five major wars in conversation with the clean war discourse Kimberly Dougherty examines the paradoxical representation of aerial warfare that has allowed extensive airstrikes on cities and civilians while promising a cleaner method of waging war First suggested by early military theorists the notion of a clean air war one that would save lives through its speed and precision proved seductive in the twentieth century and continues to shape the rhetoric of airpower today The air war is perceived as clean the author argues when we see neither the aviator nor the targeted populations in the bombing dynamic Through analysis of fiction poetry drama and journalism from the ruins of World War I to the technologies of post modern war the author identifies counternarratives that make visible both aviators and bombed societies and present aerial warfare that is not clean but messy prolonged and imprecise This exploration encourages readers and writers to approach the next century of airpower with greater wisdom and empathy

The Depiction of Violence and the Soldier's everyday life in Michael Herr's "Dispatches" and Tim O'Brien's "The Things they carried" Philipp Kock,2010 Studienarbeit aus dem Jahr 2008 im Fachbereich Englisch Literatur Werke Note 2,0 Philipps Universität Marburg Amerikanistik Veranstaltung American War Literature Sprache Deutsch Abstract 1 Introduction 1.1 Topic statement Michael Herr's Dispatches and Tim O'Brien's The Things they carried I will use the abbreviation Things as two well known examples of Vietnam War Literature Things approaches the Vietnam War as a work of fiction The author states in the beginning of his book Except for a few details regarding the author's own life all the incidents names and characters are imaginary Critics refer Things to Postmodernism Dispatches however is not fiction Michael Herr covered the war for 2 years 1967-69 for the Esquire magazine and in 1978 the year of the publication Dispatches was nominated for the National Book Award for nonfiction Bonn 28 The critics label Dispatches as New Journalism Michael Herr's Dispatches is the work of a war correspondent but it is not journalism in the ordinary sense of the word i.e. an objective detached reporting of the facts Instead it is a work of the so called New Journalism a hybrid form that in typical postmodern fashion blurs traditional genre distinctions The New Journalism abandons all pretense of impersonal objectivity instead an intense substituting subjectivity that also employs such devices of fiction as characterization flashbacks and interior monologue Carpenter 36-37 This term paper deals with the depiction of the Vietnam War in Dispatches and Things with a special focus on the depiction of violence and the everyday life of the soldiers Because of the fact that the books are different in style and narrative transmission I will put briefly some emphasis on those aspects in the beginning 1.2 Thesis statement Both writers depict the war without moral purposes showing as well the negative features of the war death terror fear brutalization deadening

American Soldiers Peter S. Kindsvatter,2003 Some warriors are drawn to the thrill of combat and find it the defining moment of their lives Others fall victim to fear exhaustion impaired reasoning and despair This book synthesizes the wartime experiences of American soldiers from the doughboys of

World War I to the grunts of Vietnam Focusing on both soldiers and marines it draws on histories and memoirs oral histories psychological and sociological studies and even fiction to show that their experiences remain fundamentally the same regardless of the enemy terrain training or weaponry The Spectator ,1978 **Oliver Stone's USA** Robert Brent Toplin,2000 Challenging audiences and critics alike the films of Oliver Stone have compelled many viewers to re examine some of their most revered beliefs about America s past Stone has generated enormous controversy and debate among those who take issue with his dramatic use of history This book brings Stone face to face with some of his most thoughtful critics and supporters and allows him room to respond to their views Writers including David Halberstam Stephen Ambrose Arthur Schlesinger Jr Walter LaFeber and Robert Rosenstone critique Stone s most contested films to show how they may distort amplify or transcend the historical realities they appear to depict *Black Prisoner of War* James A. Daly, Lee Bergman,2000 Among the few autobiographical works about Vietnam by a black author this memoir by Daly 1946-98 a Jehovah s Witness who renounced the US position after five years in the infamous Hanoi Hilton controversially explores race relations and the less than courageous The introduction provides context Originally published by Bobbs Merrill as *A Hero s Welcome* Annotation copyrighted by Book News Inc Portland OR *The Tainted War* Lloyd Lewis,1985-09-20 Lewis thoroughly analyzes the processes through which social reality is constructed and subjectively appropriated by individuals Step by step he shows precisely how a war in Southeast Asia became a young man s reality how Americans found themselves compelled to scrap the cultural knowledge they had been taught how an individual went from civilian to combat soldier and back again and was flung into a cultural twilight zone To reconstruct their world view Lewis dips into the minds hearts and souls of the young men who witnessed the Vietnam War firsthand As they tell their own stories he focuses on the socio psychological consequences **Report Or Distort?** Glenn MacDonald,1973 The New York Times Book Review ,1979 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **Making Sense** Gerhard Hoffmann (Dr. phil.),1989
