**Dostoyevsky** Ronald Hingley, 2021-06-15 This book first published in 1978 demonstrates how Dostoyevsky's novels grew directly out of the pressures of their creator's tormented experience and personality Ronald Hingley draws upon important fresh source material which includes the definitive Soviet edition of Dostoyevsky's works with drafts and variants Soviet research on the circumstances of his father's death and a newly deciphered section of the diary of his second wife Anna Hingley considers with his analysis all Dostoyevsky's works the ideas they contain their varying artistic success and their contemporary critical reception He convincingly presents Dostoyevsky's genius at its most powerful when most on the attack

Dostoevsky Константин Мочульский, 1967 Konstantin Mochulsky's critical biography is in the words of George Gibian the best single work in any language about Dostoevsky's work as a whole Through its close and insightful analysis of individual writings relating them to his personal life and fortunes it provides a sustained account of Dostoevsky's evolution as a novelist Already established as a modern classic in the original Russian and in the French translation this superb book is now available in English Dostoevsky Joseph Frank, 2009-10-19 A magnificent one volume abridgement of one of the greatest literary biographies of our time Joseph Frank's award winning five volume Dostoevsky is widely recognized as the best biography of the writer in any language and one of the greatest literary biographies of the past half century Now Frank's monumental 2 500 page work has been skillfully abridged and condensed in this single highly readable volume with a new preface by the author Carefully preserving the original work's acclaimed narrative style and combination of biography intellectual history and literary criticism Dostoevsky A Writer in His Time illuminates the writer's works from his first novel Poor Folk to Crime and Punishment and The Brothers Karamazov by setting them in their personal historical and above all ideological context More than a biography in the usual sense this is a cultural history of nineteenth century Russia providing both a rich picture of the world in which Dostoevsky lived and a major reinterpretation of his life and work Dostoevsky: His Life and Work R. Hingley, 1978 Dostoyevsky, His Life and Work Ronald Hingley, 1978 Ronald Hingley's biography of Fyodor Dostoevsky though from the late 1970s is a perfect place to start for a student curious about the major themes that weave through and interconnect the works of this major author as well as how his literature grew out of his tumultuous event packed life Today as yesterday every intelligent person should know something about Dostoevsky and Hingley's biography is extremely readable and presents the author's often extreme philosophy and literary views as a product of his life Dostoevsky is presented throughout the bio as a person too often beset by emotional storms that perverted his humanity toward Jews Poles Western Europeans socialists and the like but Hingley also does his best to present this great Russian writer as a human being in the round and possessed of both ferocious tenacity in working through his literary creations and an often surprising receptiveness to the meek and the forgotten to whose lot he remained loyal and empathetic throughout his life Review by M A Seifter viewed on Amazon com June 30 2022 *Dostoevsky, His Life and His Work* Konstantin
