The Card Peter A. LaPorta,2019-04-29 Congratulations You have been selected by the Foundation to take part in a social experiment for the duration of 365 days Do not waste time Use your card to purchase anything you like and you will never be responsible for paying anything back monetarily Failure to comply with any and all of the rules of the program may result in serious consequences deathly consequences The Card Program is the brainchild of an eccentric billionaire and operated by the Foundation a covert division of the US government One man pulls the strings of the cardholders he treats like puppets Colonel Putnam Day by day each cardholder wields their unlimited buying power for one extravagance after another As they cross the line and break the strict rules of the program Putnam hunts them down and makes them play by his rules or else When the Colonel and his henchman cross too far over the line and the body count starts to rise who will bring him to justice Can the cardholders find each other in time to ban together and bring him down or will Putnam crush them in the process Will the government reel in one of their own or will everything explode around them From the mines of West Virginia to the shores of Mexico you will be transported on an exciting journey around the states and into foreign lands Come along on this thrilling adventure of suspense and intrigue as page after page brings you closer to the climactic conclusion of The Card

Fooling Houdini Alex Stone,2012-06-19 An exploration of the world of magic that teaches the reader many tricks including how better to understand the real world Alex Stone journalist and part time conjurer is here to amaze you But first he had to amaze his fellow magicians Fooling Houdini is his fascinating revealing and nailbiting account of his attempt to win the 23rd World Championships of Magic the Magic Olympics the largest and most prestigious competition of its kind Alex Stone managed to qualify for entry and began preparing to astonish people who astonish others for a living It didn t help his nerves that he was placed on the bill straight after Canadian magician Shawn Farquhar winner of more magic competitions than anyone in history Stone s preparations and participation

provide his readers with in depth exploration of the world of magic and magic s meaning He spills many professional secrets arguing that what is important is to ask questions about what lies behind the tricks how the mind perceives the world and parses everyday experience about how the mind works and why sometimes it doesn t about why people need to believe As we become more attuned to the limits of our own perception we become better at distinguishing reality from illusion at reading the angles and decoding the fine print he says We gain intuition and understanding into how people behave We even learn ways to influence this behavior This makes us less susceptible to all manner of deception It is to gain and maintain this sixth sense that Alex Stone a schoolboy prestidigitator has continued performing magic well into adulthood In Fooling Houdini he takes us into that other world populated by truly astounding characters and leaves us with a heightened sense of awareness about the supposedly real world
