Liberalism Mark Dice,2018-11-13 It s as if we re living in an episode of the Twilight Zone Every day we are inundated by news reports trending topics on social media and new political movements promoting such bizarre beliefs about race gender sexuality and life in general that it s impossible in many cases to distinguish whether such ideas are serious or if they re a parody of what liberalism has become The political differences between liberals and conservatives used to be pretty well established but recently the tug of war between the Left and the Right took a dramatic and disturbing turn Modern liberalism has been replaced with new mind boggling agendas promoting the adoption of unscientific authoritarian and sociologically disastrous ideologies In attempts to accomplish their plans the Left are conspiring to end freedom of speech traditional families long cherished holidays and hope to implement a new world order Who is behind this madness What is their ultimate goal How far
