Whisky Business

Elliot Fletcher,2023-12-19 Opposites attract when a fish out of water actress and a grumpy Scottish whisky distiller are forced to work together to save the business they both love As a child April Sinclair dreamt of escaping her quiet island life to become a world famous actress Now fully grown and with her once flourishing career at an all time low what better way to figure out where it all went wrong than to go back to the beginning April has her sights set on a new challenge and that is

saving her family's distillery on the idyllic Scottish Isle of Skye. What she doesn't expect to find is Malcolm Macabe, short tempered and exceedingly attractive, living in the home she has just inherited. He may be a million miles away from the shy teenager she knew growing up, but one thing is for certain: he doesn't want her around anymore. Master distiller Mal has three loves in his life: whisky, his dog, and silence. He has no time for the pampered princess poking her nose around his distillery, even if said princess is the one who got away. More comfortable in the shadows than the spotlight, Mal is content to wait her out. She'll grow bored and run back to her glamorous world of nail salons and takeaway coffee eventually. When sparks begin to fly, he tells himself it doesn't matter because April Sinclair could never want a man like him, right.

The Stylist Rosie Nixon, 2018-09-04 In the tradition of *The Devil Wears Prada* comes Rosie Nixon's debut novel, which follows a young woman who is thrown into the fast-paced world of fashion and glamour as she's forced to navigate the treacherous Hollywood red carpets while finding a fairytale love of her own. A stylish fun read, I absolutely loved it. Jackie Collins' Amber Green loves working at Smith's, London's ultra-exclusive boutique frequented by everyone who's anyone, including Mona Armstrong, the stylist to the stars. She is fierce, demanding, and can make or break a career with a snap of her manicured nails. When Mona's latest assistant walks out, and with awards season arriving faster than you can say Rodeo Drive, Amber finds herself agreeing to work for one of the most infamous and volatile women in Hollywood. And the stars aren't much better. Amber's life is turned inside out as she becomes familiar with all Hollywood has to offer on and off the red carpet. As she begins to enjoy life in the dressing rooms of the hottest stars, Amber discovers she's the one in the spotlight when she catches the attention of two very different men. But Mona's behavior is growing increasingly erratic, and unless Amber can out-style everyone in Hollywood, she's in danger of being Mona's latest fashion victim.
