the excessive drinking and smoking as well as the playing out of the prejudices and anxieties of an era long neglected in popular culture *Mad Men* is a zeitgeist show of the early twenty first century this book demonstrates partly because its characters are an earlier confused and conflicted version of ourselves trying to make the best of a future unfolding at breakneck speed

The Best American Poetry , 2009 *The Diary of James Schuyler* James Schuyler, 1997 The search for ways to contain the evanescence fragility and ephemeral beauty of the moment has preoccupied lyric poets from Catullus and Herrick to James Schuyler For Schuyler indeed discovering and glowing in the ineffable contingency of the moment was both theme and goal Nowhere in his work is this more true than in that marvelous celebration of the miracle of impermanence his remarkable Diary here made available in full for the first time The Diary editor Nathan Kernan has noted is a work of art it is in a large sense a poem Stylistically it is of a piece with Schuyler s poems it is cut from the same cloth or is in places the cloth from which the poems were cut The Diary s peculiar combination of fragment meticulous description literary allusion commonplace book and remembrance is beautiful in its own right and very much a window into the mind that wrote the poems Nathan Kernan s extremely thoughtful scrupulous and informed editing provides this long awaited volume a scholarly care it deserves Kernan s editorial glosses and biographical sketches on the cast of characters placing Schuyler in a rich social context of poets artists and friends provide what amounts to a handy thumbnail history of the New York School
