## **Messages From The Masters Brian Weiss Pdfsdocuments2:**

The Book of Master Messages Lois Darlene Mitchell, 2002-11 The book is one of the most powerful material carefully prepared to help Christians that have the desire to go deeper into the things of God Those who are not satisfied just being religious but who really want to grow spiritually This book will help them to see and understand the bible in a different way They will understand that the bible is not a natural book That it takes a spiritual touch by God to understand the things of God I believe that this book will indeed make a difference in anybody s life who takes the time to read it I believe it will help produce some kind of understanding for individuals who take the time to read it It s a combination of different doctrinal exposures that can really help you understand the doctrine of baptisms eternal judgement the God head the mystery of unclean spirits etc God had revealed these things to me for a purpose The purpose is to help open your spiritual eyes to be able to see things in a different perspective even better than what you have previously learned The greatest mystery of our times is the mystery of Godliness This is not something that anybody can easily know It takes God himself to reveal these things to different individuals whom he wishes There is a big difference between the word of God and religious philosophies invented by men s carnal minds Man s religious philosophies cannot help your soul to become alive However the word of God can As you are reading this book I can guarantee that you will gain something from it It will help you to begin to see and understand the plan of God and the four major doctrines of the bible
