Audio Erotica Athena Bellas, Jodi McAlister, 2026-03-31 Audio erotica is sexually explicit audio only content designed to arouse the listener and bring them fulfilment While it has existed for a long time it has achieved significant popularity in recent years driven by apps like Quinn Dipsea Emjoy and Ferly Notably these apps and many like them were founded by women and are predominantly targeted to female audiences making audio erotica a fascinating form of porn for women Audio Erotica focuses on these four apps as the contemporary face of audio erotica Through textual and paratextual analysis it offers an overview of the types and genres of erotic content available on the apps It situates audio erotica in histories and lineages of both pornography and erotica and feminist thought about them and audio media Moreover it situates audio erotica in the context of several key discourses such as wellness authenticity and intimacy as it analyses the ways in which the apps imagine their female listener and what she wants from sexually explicit media which is importantly different from what men are imagined as wanting from pornography This is the first book length study of audio erotica making it a foundational resource for anyone doing research in the area It offers a multifaceted understanding of the form and makes several key contributions to studies of sexually explicit media directed towards women and discourses around female sexual desire
