Drood Dan Simmons:

Drood Dan Simmons, 2009-02-09 On June 9 1865 while traveling by train to London with his secret mistress 53 year old Charles Dickens at the height of his powers and popularity the most famous and successful novelist in the world and perhaps in the history of the world hurtled into a disaster that changed his life forever Did Dickens begin living a dark double life after the accident Were his nightly forays into the worst slums of London and his deepening obsession with corpses crypts murder opium dens the use of lime pits to dissolve bodies and a hidden subterranean London mere research or something more terrifying Just as he did in *The Terror* Dan Simmons draws impeccably from history to create a gloriously engaging and terrifying narrative Based on the historical details of Charles Dickens's life and narrated by Wilkie Collins Dickens's friend frequent collaborator and Salieri style secret rival Drood explores the still unsolved mysteries of the famous author's last years and may provide the key to Dickens's final unfinished work *The Mystery of Edwin Drood* Chilling haunting and utterly original Drood is Dan Simmons at his powerful best *Drood Proof* Dan Simmons, 2008-08-07 **Drood** Dan Simmons, 2009-03 Studies in the Victorian and Neo-Victorian Novel Adrian Radu, 2024-02-29 Readers of the nineteenth century novel expected literature to be a form journalism and fictional history They wanted to read about easily identifiable situations with a chronological straightforward and easily discernible development of plot familiar backgrounds and credible characters About a hundred years later the Victorian novel became the great tradition omnipresent and reliable However today the age and the context are different and novels need more substance including such themes as memory race and empire sex and science spectrality and the heritage industry or key issues like gender sexuality and postmodernism All these elements are considered Neo Victorian which in spite of their novelty do point to a certain Victorian anchor This volume contains ten studies the substance of which is the analysis of novels that according to their date of publication are products of the Victorian and Neo Victorian periods as defined above The authors investigate and discuss Victorian roots and characteristics preserved or recycled Victorian themes Neo Victorian characters and motifs or any other characteristics that may label them as Victorian or Neo Victorian products **Liminal Dickens** Valerie Kennedy, Katerina Kitsi-Mitakou, 2016-05-11 *Liminal Dickens* is a collection of essays which cast new light on some surprisingly neglected areas of Dickens's writings the rites of passage represented by such transitional moments and ceremonies as birth christenings weddings marriages and death Although a great deal of attention has been paid to the family in Dickens's works relatively little has been said about his representations of these moments and ceremonies Similarly although there have been discussions of Dickens's religious beliefs neither his views on death and dying nor his ideas about the afterlife have been analysed in any great detail Moreover this collection arising from a conference on Dickens held in Thessaloniki in 2012 explores how Dickens's preoccupation with these transitional phases reflects his own liminality and his varying positions regarding some main Victorian concerns such as religion social institutions progress and modes of writing The book is

composed of four parts Part One concerns Dickens's tendency to see birth and death as part of a continuum rather than as entirely separate states Part Two looks at his unconventional responses to adolescence as a transitional period and to the marriage ceremony as an often unsuccessful rite de passage Part Three analyses his partial divergence from certain widely held Victorian views about progress evolution sanitation and the provisions made for the poor and Part Four focuses on two of his novels which are seen as transgressing conventional genre boundaries **Victorian Unfinished Novels S.**
