Dua Lipa Lyrics Homesick:

A Story Like Ours Robin Huber,2026-02-02 Some fights are for love Some are for forever Originally beloved by readers this unforgettable love story continues deeper more powerful and filled with the heart hope and hard won love that made it a fan favorite Captivating sexy emotional and deeply romantic Frolic I ve loved Sam for as long as I can remember Even as kids our connection felt destined the kind of love that binds two souls together Losing him once nearly broke me Finding our way back to each other was supposed to be the hard part But loving a fighter comes with a price With every match every sacrifice Sam pushes himself closer to danger for our future I see what he won t admit the sport he loves is slowly taking him away from me And then the blow comes Not a punch Not a fight Something worse Now I stand on the edge of losing everything we fought so hard to rebuild Because sometimes love isn t about finding your way back It s about fighting to save it *Dua Lipa: The Rhythm That Moves Generations*

Fabricio Sales Silva,2025-03-18 Don t let anyone tell you what you can or can t do Be the force that decides your own trajectory I grew up hearing that dreams are too big that music was an uncertain path and that maybe I should look for something safer But what is security if not the comfort of believing in oneself Life is not a straight line and that is something we all need to accept Early in my career I heard a lot of maybes a lot of not now But there is no such thing as instant success There is constant work and more importantly believing in what you are building even if no one else sees it at the moment My music has always been an extension of who I am a reflection of my truth and I believe that s what connects people Being authentic is the greatest gift we can give ourselves It is not easy but it is necessary I also learned that success is not just about personal achievements It is measured by the impact you have on the world around you Whenever I see someone telling me that they found strength in a song of mine I remember why I started Art is not about perfection It s about connection I want people to feel seen heard and above all understood So believe me Work Love what you do And never never miss the rhythm that moves your life **Dua Lipa Songbook**
