## **Dude You Re A Fag:**

**Dude, You're a Fag** C. J. Pascoe, 2007-06-04 High school and the difficult terrain of sexuality and gender identity are brilliantly explored in this smart incisive ethnography Based on eighteen months of fieldwork in a racially diverse working class high school *Dude You re a Fag* sheds new light on masculinity both as a field of meaning and as a set of social practices C J Pascoe s unorthodox approach analyzes masculinity as not only a gendered process but also a sexual one She demonstrates how the specter of the fag becomes a disciplinary mechanism for regulating heterosexual as well as homosexual boys and how the fag discourse is as much tied to gender as it is to sexuality

*Gender Norms and Intersectionality* Riki Wilchins, 2019-03-25 There have been few if any attempts to translate the immense library of academic studies on gender norms for a lay audience or to illustrate practical ways in which their insights could and should be applied Similarly there have been few attempts to build the case for gender in diverse fields like health education and economic security within a single book one which also uses an intersectional lens to address issues of race and class This book not only looks at the impact of rigid gender norms on young people who internalize them but also shows how the health educational and criminal justice systems with which young people interact are also highly gendered systems that relentlessly police and sustain very narrow ideas of masculinity and femininity particularly among youth Current treatments of a gender lens or gender analysis both at home and abroad usually conflate gender with women and or trans *Gender Norms and Intersectionality* shows conclusively how this is both inadequate and wrong headed It documents why gender norms must be moved to the center of the discourses aimed at improving life outcomes for at risk communities And it does so while acknowledging the insights of queer theorists about bodies power and

difference This book provides a starting point for a long overdue movement to elevate applied gender studies providing both a reference and guide for researchers students policymakers funders non profit leaders and grassroots advocates It aims to transform readers view of a broad array of familiar social problems such as basic wellness and reproductive health education economic security and partner male on male and school violence showing how gender norms are an integral if overlooked key to understanding each

**Thinking Cis** alithia zamantakis,2023-11-13 Through extensive interviews and focus groups with cisgender heterosexual men and cisgender lesbian bisexual and queer women Thinking Cis examines how cisgender people make sense of gender

**Risky Lessons** Jessica Fields,2008 Risky Lessons brings readers inside three North Carolina middle schools to show how students and teachers support and subvert the official curriculum through their questions choices viewpoints and reactions Most important the book highlights how sex education s formal and informal lessons reflect and reinforce gender race and class inequalities

From School Ground to Battle Ground Brooke Johnson,2009

**The Publishers Weekly** ,2007 Boys and Schooling B. Lingard,Wayne Martino,Martin Mills,2009 Exploring the limitations of current approaches to addressing boys education this study illustrates how initiatives such as single sex classes and schools for boys the boy friendly curriculum and the call for more male teachers as role models have the potential to exacerbate rather than ameliorate the problems that boys are supposedly experiencing in schools The book demonstrates that such approaches to boys education have failed to acknowledge the significant impact of masculinity on both boys and girls lives and in turn have failed to address equity issues experienced by both minority boys and girls in schools This study argues for new policies and a pedagogical reform agenda that engages with a more nuanced understanding of what constitutes good

teaching and effective learning in schools for all students while simultaneously interrogating the constraints imposed by dominant or stereotypical constructions of masculinity **Make Me a Sandwich, Bitch** Kevin J. Burke, 2010 This work examines the ways that discourses and ideologies made present in an all boys Catholic secondary school come to delimit sexual and gendered possibilities for young boys most particularly in regards to masculinities and spiritualities Implications for teacher and Catholic education are discussed in particular in this critical autoethnographic study Further issues of empowerment come to the fore as social and religious sanctions become navigable or less so after repeated exposure to the socializing institution that is the high school Abstract **Social Problems** ,1953 The Georgetown Journal of Gender and the Law ,2006 **The Children's Folklore Review** ,2017 Feminist Periodicals ,2007 **States of Ambivalence** Tanya McNeill, 2008
