## **Mini Importation Guide:**

The Ultimate Guide To Mini Importation Business John Stones, 2019-07-03 It is no longer news that anybody can actually import goods from China to one's doorstep without necessarily travelling to China. Yes, Internet has made things beautiful in this era. This book will provide you with a step-by-step guide on how to import goods from China, USA, and the best place to import these goods at a very cheap rate and how you can ship them to your doorsteps at a minimal cost. You may call this a mini Importation Business. Talking about mini Importation Business, we mean importing goods in smaller units or quantities, not like those that import in mega quantities, especially in containers. Mini importation has to do with very small quantities and can be done by anyone without belonging to any trade union or society. It is simply an online method of importing in small scale. No long paper work is required, and one can start with available little fund and in the comfort of one's bedroom. **China Importation Master Class** Fredrick Emmanuel Ph D, 2021-03-27 I have been in this business for over 8 years with great experiences in the Mini Importation Business. China, USA, UK, Turkey, Vietnam, Malaysia, to Africa, Countries, and Drop Shipping to UK, USA, etc. and have successfully imported thousands of products from China to my destination country with ease and at very cheap costs. Especially from 1688.com. 1688.com is the biggest and most popular Chinese wholesale platform where retailers in China buy products directly from the manufacturers and resell at a higher price on other platforms such as Alibaba, Aliexpress, Gearbest, etc. So if you thought you always get the best price for items purchased on Alibaba or Aliexpress, you are wrong because these platforms sell products at prices up to 4X or more compared to the price of the same item if purchased directly from 1688.com. But the problem is that 1688.com website is written in Chinese language and meant for the Chinese-based retailers. So most people rely on using Google Translate and Chinese-based suppliers to order products from the platform. With this step-by-step guide, you will learn how to purchase products directly from sellers on 1688.com who are usually the manufacturers of the products and ship it directly to your location without hassle and cheaply. It covers the following:

1. Sourcing for products from 1688 at very cheap price
2. Steps to buy products directly from manufacturers on 1688 without the use of suppliers
3. Contacting the product manufacturer/supplier
4. Paying for your items
5. Shipping your goods
6. Resources
