No Hard Feelings Genevieve Novak, 2022-04-01
Hungover underpaid and overwhelmed this isn't where Penny expected to be as she reached her late twenties. A sharp smart and witty look at adulthood. Fleabag meets Sorrow and Bliss with a splash of Dolly Alderton. No Hard Feelings is clever, funny and surprisingly sweet and Penny captured my heart. Toni Jordan: I exist on validation from emotionally unavailable men, biscuits and cheap wine and it's easier to get off with Max than a Tiny Teddy. Penny can't help but compare herself to her friends. Annie is about to become a senior associate at her law firm. Bec has just got engaged. Leo is dating everyone this side of the Yarra and Penny is just waiting. Waiting for Max, her on-again-off-again boyfriend to allow her to spend the night waiting for the promotion she was promised, waiting for her Valium to kick in. Waiting for her real life to start. Out of excuses and sick of falling behind, Penny is determined to turn things around. She's going to make it work with Max, impress her tyrannical boss, quit seeing her useless therapist, remember to water her plants and stop having panic attacks in the work toilets. But soon she's back to doomscrolling on Instagram, necking bottles of Aldi's finest sauvignon blanc and criticising herself with renewed vigour and loathing. As her goals seem further away than ever, she has to wonder when bad habits feel so good, how do you trust what's right for you. Praise for No Hard Feelings: Genevieve Novak will inevitably be compared to other authors, but the truth is she is herself and herself alone, and that's a good thing. Funny, biting, vulnerable and unflinching. Novak's novel is like an ocean dip, a bit salty, very refreshing. Lauren Sams: Scaldingly funny and bitingly real. No Hard Feelings deserves a warning label: danger, may induce binge reading. With her sly wit, Genevieve Novak's debut demonstrates a brilliant eye for observing the little things in life, which together can be the biggest things of all. Tori Haschka, author of Grace Under Pressure: No Hard Feelings is a gratifying, warm and funny debut. Books Publishing: Novak has perfectly captured the self-doubt and total horror of having to be happy and functional in your twenties. It would have you crying into your chipped manicure if it wasn't so darn funny. Kimberley Allsopp, author of Love and Other Puzzles

LET'S TIK TOK Herbert King, 2022-03-23. *The Modern Day Star Maker*. TikTok social media entertainment is today's watchword. What started humbly in 2006 with YouTube has now proliferated into multiple global networking and marketing sites. When TikTok entered the niche, many of them were performing extremely well on the stage. In that context, TikTok performed admirably well. Consider a new plant sowed on an unknown land becoming a giant tree full of bloom, supporting life and sustaining others in its neighborhood. Well, the analogy may not seem too strange when TikTok's performance is surveyed. Like the tree that I talked about, TikTok not only supported earnest and interested newcomers in their endeavors but it actually helped them to become famous. Its unique algorithm enabled them to display their creation to the world. The audience noticed two things about the performances: The performers were no celebrities; they were their own boys and girls whom the world did not know anything about even a few days back. What they showed in their videos was not too difficult to understand. The language of humor, sometimes funny, sometimes satirical, is easy to understand. They portrayed their daily lives. It was surprising how in the midst of a depressing pandemic they could retain and distribute their sense of humor. Perhaps they too were waiting for a platform like TikTok to show the world what is the new concept of entertainment. But TikTok also helped them to earn, and sometimes more than their expectations. Indeed, it became a new avenue for alternate careers to many people, young and old. This book is about TikTok: how you can use it to have fun, create content, and earn money. What you can do with the app, the choices you have, are limitless. Well, now that you know that this book is full of anecdotes and important information on how to kickstart your influencer journey, what's stopping you from clicking that button? Go discover the amazing world of TikTok creators and how you can carve your own place among them.
