Madden McCray Demi wanted to hire Madden to be her bodyguard while she was in town. Madden said as much as he could use the money, he told her he already had a job, but his brother Lucian could use the work. Barton, 2015-01-30 Living a life of exile made for a lonely existence. Banished from her realm for a crime she didn't commit, that's the life that the king had condemned Harley Pennington to. Sentenced to a life of solitude away from the people she served, the people she loved. With her departure, she was given a warning: if she fell in love and took a mate, that she would be brought back and immediately put to death, and her new mate along with her. The Limo that Keith Golden was riding in was in a horrific accident, rolling down an embankment. He was trapped and felt his life slipping away until a vision of an angel clouded his view. Harley saw the whole thing and the instant she found the were-tiger trapped in the huge vehicle, she knew he was her mate. Her instincts told her to run; taking a mate was a death sentence for them both, but she couldn't let him die. Now that Keith had found his mate, he wasn't about to let her go. Was it their destiny or a fool's journey? Would love be enough to thwart a king's rule and make her stay? Would a difference of opinion drive a wedge in the Golden family, tearing them apart from each other forever?
