## **Social Media and Library Services** Lorri

Mon, 2022-05-31 The rise of social media technologies has created new ways to seek and share information for millions of users worldwide but also has presented new challenges for libraries in meeting users where they are within social spaces From social networking sites such as Facebook and Google and microblogging platforms such as Twitter and Tumblr to the image and video sites of YouTube Flickr Instagram and to geotagging sites such as Foursquare libraries have responded by establishing footholds within a variety of social media platforms and seeking new ways of engaging with online users in social spaces Libraries are also responding to new social review sites such as Yelp and Tripadvisor awareness sites including StumbleUpon Pinterest Goodreads and Reddit and social question and answer Q A sites such as Yahoo Answers sites which engage social media users in functions similar to traditional library content curation readers advisory information and referral and reference services Establishing a social media presence extends the library s physical manifestation into virtual space and increases the library s visibility reach and impact However beyond simply establishing a social presence for the library a greater challenge is building effective and engaging social media sites that successfully adapt a library s visibility voice and presence to the unique contexts audiences and cultures within diverse social media sites This lecture examines the

research and theory on social media and libraries providing an overview of what is known and what is not yet known about libraries and social media Chapter 1 focuses on the social media environments within which libraries are establishing a presence including how social media sites differ from each other yet work together within a social ecosphere Chapter 2 examines how libraries are engaging with users across a variety of social media platforms and the extent to which libraries are involved in using these different social media platforms as well as the activities of libraries in presenting a social self sharing information and interacting with users via social media Chapter 3 explores metrics and measures for assessing the impact of the library s activity in social media sites The book concludes with Chapter 4 on evolving directions for libraries and social media including potential implications of new and emerging technologies for libraries in social spaces Table of Contents Preface The Social Media Environment Libraries and Social Media Assessing Social Media Sites and Services Evolving Directions in Social Libraries Bibliography Author Biography

Eventually, you will agreed discover a supplementary experience and achievement by spending more cash. still when? reach you say you will that you require to get those all needs subsequently having significantly cash?
