Schneider MD, Vincent M.B. Silenzio MD, Laura Erickson-Schroth MD, 2019-05-17 This comprehensive review is the first handbook on LGBT physical and mental health created by the world's oldest and largest association of lesbian gay bisexual and transgender health care professionals. Recent years have seen a flood of high quality research related to the health of lesbian gay bisexual and transgender individuals and families. The GLMA Handbook on LGBT Health is the first comprehensive resource to gather that knowledge in one place in the service of vital information needs. Both accurate and easy to understand, the two volume handbook addresses physical, mental, and emotional health as well as policy decisions affecting the LGBT community from youth through old age. Volume One is devoted to overall health of the population and preventive care, while Volume Two examines disease management. Entries discuss concerns as diverse as HIV/AIDS, substance abuse, domestic violence, depression, heart health, policy, and advocacy and research. The clear but detailed articles in this groundbreaking work will help readers cut through the noise and controversy surrounding scientific advances to make informed choices about their health and well-being.

*The Perilous Sea* Emma L. Adams, Zelle Carnelian has claimed the allegiance of the nameless Shaper, the enigmatic ancient deity whose name was forgotten by mortals and gods alike. Together with Arien Astera, who has claimed a new Relic of his own, and Evita Govind, who would be assassin, they defeated Orzen and prevented him from unleashing havoc on the human world. But Orzen is not the only deity with his sights set on escaping from the realm of the gods. When her sister is captured by a cult of devotees to an unknown deity, Zelle's quest to find her leads across the perilous sea to the Isles of Itzar. Teeming with dangerous beasts and strange magic, the Isles are not a destination for the faint of heart, and Zelle and the others are well aware that they might be sailing straight into a trap. Soon her sister's plight becomes only one of Zelle's concerns between mysterious Relics appearing on Itzar's beaches, a struggle between two rival factions, and a rogue deity with an unknown agenda. It'll push Zelle and the others to their limits to navigate these dangerous waters and escape alive.

An epic fantasy trilogy featuring a bookworm heroine with a sarcastic talking staff, a warrior with no memory of his past, and an inept aspiring assassin with a baby dragon sidekick. For fans of fast-paced adventures, cool settings, and action-packed plots.
