Box Office, 1957 *The Set-Up* Ronald Hayman, 2024-11-01 Originally published in 1973 this book investigates the power and the pressures behind English theatre in the late 20th Century analysing its structure and systems and the way that money and motives flow through it On the one hand there are the organisations the big national companies the West End managements the regional repertory theatres the fringe groups the trade unions the Arts Council On the other are the individuals actors directors playwrights agents administrators Ronald Hayman's challenging book illuminates the conflicts and contradictions in the set up It is a mine of information about how theatres are run how shows pay their way and what happens when they don't **The Set-up** Joseph Moncure March, 1928 Verse narrative of the life and death of a negro prize fighter Cf Hanna A Mirror for the nation **In Theaters Everywhere** Brian Hannan, 2018-12-31 Conflicts among Hollywood studios and exhibitors have been going on for years At their heart are questions about how films should be released where when and at what speed Both sides of this disagreement are losers with exhibitors using the law via various Consent Decrees and studios retaliating by tightly controlling output In the Silent Era movies were not released nearly as widely as they are now This book tells the story of how the few became the many It explores the contraction of the release cycle the maximization of the marketing dollar and the democratization of consumer access It also offers a comprehensive list of wide releases and rebuts much of what previous scholars have found **Lippincott's Monthly Magazine**, 1874 Machinists' Monthly Journal, 1906 *The Emerson Monthly*, 1910 **Appletons' Popular Science Monthly** William Jay Youmans, 1897 **The Popular Science Monthly**, 1897 *Theatre Arts Monthly*, 1928 *Printers' Ink Monthly*, 1923 Publix Opinion, 1930 Sucker Punch Amanda J Field, 2023-10-16 The 1930s 40s and 50s were the heyday of the boxing film attracting some of the biggest stars of the time including Errol Flynn James Cagney Kirk Douglas and Paul Newman and some of the best directors Yet it is a genre that has received little critical attention apart from a few films singled out because they can be categorised as film noir It would be easy to assume therefore that the typical boxing film of this period was a dark melodrama with the tragic and doomed figure of the boxer at its centre but that gives a false picture of a genre that included comedies and costume dramas among its 130 plus films Sucker Punch invites the reader to take a wider look at the scope and breadth of the genre by providing a detailed discussion of 20 boxing films a selection from each decade from Hollywood and British studios Some such as *Body and Soul* have become part of the established canon of Film Studies while lighter fare such as *Ringside Maisie* or *Gentleman Jim* have been overlooked by the critics but are worthy of re-examination not simply because they are enjoyable films in their own right but also because they offer insights into social attitudes of the times The book draws on contemporary sources such as trade paper film reviews as well as modern academic criticism to build a highly readable account of the development of the boxing genre and its narrative conventions **Scribner's Monthly, an Illustrated Magazine for the People**, 1920 Harper's New Monthly Magazine Henry Mills Alden, 1897
