Dane De Luca
HR Manager
Vermillion Inc,
2116 W 95th St
Chicago, IL, 60643

Dear Dane,

I have attached my resume for the position of business analyst. My professional achievements include saving \$1M in costs by choosing a new cloud data warehouse solution. This was enabled by my superior negotiation skills, expertise in effective procurement and ability to identify cost savings.

As a business analyst at Vantech, I leveraged a new procurement business process to ensure consistency across all teams leading to a saving of 500 man-hours equivalent to \$100,000. This consistent approach was the first of its kind in the company. I also consolidated 3 legacy CRM systems into a single modern iteration reducing data retrieval times by 50% and customer response times by 40%.

Getting on board with Vermillion as it rapidly scales its operations is an amazing opportunity for me to do what I do best, increasing efficiency in business processes and implementing value-rich changes to the organization.

Let's arrange a quick chat to discuss how my ability to translate stakeholder needs into development goals can help Vermillion at this crucial time.

Sincerely,

Cyrus Johnson

P.S. It'd also be a great chance to discuss how my dedication to clear data visualization has improved communication between stakeholders and development teams.
