North Carolina town nestled amongst the Smokey Mountains Jesse Grant was a proud flamboyant gay man who wasn't afraid to wear make up and heels Not about to change for anyone not even if that meant he'd been in more than a few fights over the years Parker Flemming wasn't sure what to think of Jesse when he walks toward him Dressed in Daisy Dukes pink tank top with matching flip flops Jesse looked like a dream come true Too bad Parker had to give up his dream of finding a man like Jesse to settle down with since moving back in with his homophobic mother after his father died Jesse had always been a love them and leave them kind of guy until he meets Parker who has his heart racing with just one look Confused when Parker runs the other way Jesse isn't deterred After all isn't the chase half the fun      *Electrical Merchandising Week* ,1960

**The Sh!t No One Tells You About Baby #2** Dawn Dais,2016-10-25 The third book in Dawn Dais's popular Sh!t No One

Tells You series covers all a parent needs to know once the reality of having two children settles in Around the time your first baby turns a year old your brain will turn on you For reasons that are still not understood by science the sleep deprivation and postpartum hormones you barely survived with your first baby fade from memory and will be replaced with idyllic images of your growing child This is when your brain having officially lost all regard for your well being begins to fantasize about a second baby And for the first time since becoming a parent these thoughts don't make you break out in hives Before you know it you are dressing your first child in I'm Going to be a Big Sister T-shirts and catalog shopping for bunk beds This will be fantastic But then that familiar morning sickness kicks in And your adorable 18 month old transforms into a two year old terror That's when those hives start to return With Dawn Dais's trademark witty banter The Sh!t No One Tells You About
