Rembrandt Kathi S. Barton,2015-01-09 1800 years ago It was time for him to die Rembrandt was ready He had put up a good fight and nearly died twice that day but now he was done and he was ready to die on the battlefield with the rest of his brethren Death would be merciful He would finally be with his wife and children A being clad in black had other ideas Rembrandt was meant to help him fight his cause and to help right a wrong that his kind had brought to this world He gifted the reluctant Rembrandt with a taste for blood and immortality and more so much more Back to the present Rembrandt had had enough He was over this life 1800 years ago and now he was just sick of it The creatures he fought the

malefactors kept growing in numbers and he couldn't kill them fast enough to keep up. He had fought the battle alone all these years and he wasn't sure he even wanted to anymore. Skylar Manning was just trying to be nice. The mysterious man dressed in black was hanging around after closing again. It was the third time this week. Only this time he grabbed her arm. Her world changed forever. Suddenly she found herself hunted by shadowy figures with razor sharp teeth and into the arms of a warrior who craved her as much as she did him.

Marc Kathi S. Barton, 2013-11-15 Jonny Thomas is on the run. She has just escaped Dawson's little house of horrors and has no plans of going back. Roy Dawson deals in exotic animals and has a high demand for black panthers; he wants Jonny back at any costs. She thinks she is the only panther shifter in existence and a freak of nature. She has no idea she isn't alone. Marc Bowen lost his original mate in a freak accident when they were teenagers. He has resigned himself to stay in the background, watching his brothers find their other halves to find happiness. He's even considered moving away for a while. Fate, however, has other plans for Marc. Now that Marc has found Jonny, there is no way he's letting her go. He needs her to be complete. Earning her trust, however, is easier said than done. Jonny trusts no one and is afraid to love. Everyone she has ever loved has always gotten hurt because of her and she won't stand around and just let that happen. Family is everything to the Bowens. Now that Dawson has tracked Jonny down, the Bowens band together to protect her. Their plans are nearly fail-proof. Nearly what could go wrong? Right. Find out in the fourth installment of the Bowen Boys.

Asher Kathi S. Barton, 2015-06-26 Two Men Joined By Fate. Asher and Kieran were joined at birth by the dying decree of the Dragon King, literally. Asher had his own bit of magic as a 3,000-year-old immortal and Kieran was his dragon shifter. Out in society, Kieran was a part of Asher, absorbed into Asher's body, only being able to separate in dragon form. At their birth home, the two men could exist apart from each other as men. They protected each other and would until their dying breath if it ever came to that. They shared everything that is until Essie came along. Essie was doing her best to hide from a mother that didn't even recognize her own daughter. The witch had poisoned her with a scratch and if Essie wasn't healed soon, she'd die. Sick or not, she didn't want anything to do with that handsome, overbearing barbarian Asher nor that rude dragon that protected him. She was doing just fine on her own. But Asher had other things on his mind and after a while brings Essie around to his way of thinking and makes her his wife, but Kieran brought up a valid point. Essie was his mate, too. Could Essie find it in her heart to love both men equally? To share the bed of both together? Asher's five brothers and their dragons watched the scenario unfold with bated breaths. The subject had never been broached and all their futures hung on the outcome.

Wesley Kathi S. Barton, 2020-09-19 Wesley Bishop was helping out a friend by letting Emmie stay with him. He knew she wasn't his mate, but she was good company. Emmie was hiding from her abusive brothers. When she asked Wesley to take her to the bank, she was meeting her best friend Penny and Penny's grandfather Joe to go over their accounts. Wesley readily agreed. Wesley thought Penny was about the prettiest woman he'd ever seen, feisty, too, and when her scent hit him like a freight train, he was the happiest tiger shifter on the planet. Penny, not so much. Like

Emmie Penny's family had a way of getting their point across with a heavy fist. Trusting a man wasn't easy for her. Wesley was no quitter; he'd convince his new mate to trust him if it was the last thing he did. And keeping her safe was proving to be more difficult by the day.

Sebastian Kathi S. Barton, 2014-06-13 The man is a computer genius. Sebastian Bowen is the computer mastermind of the family. He's always loved high tech stuff and he's good at it. So good that he's always busy with everyone else's stuff and sometimes the family's computer needs are unintentionally placed on the back burner. Ama really wants to help Sebastian's parents but not at the expense of her pride. Sebastian Bowen can go to hell as far as she's concerned. No one accuses her of taking advantage of people. She doesn't roll that way. He forgot the first rule: Never piss off a Fae. Sebastian's parents go looking for her so that Sebastian can apologize. Once Sebastian meets her, he knows who she is: his mate. Ama is an Earth Fae and he can't touch her unless she allows him to. They're off to a rocky start but things get heated when they discover a demon has his sights set on Ama too. There's never a dull moment in the Bowen household. Can Sebastian hold it all together and keep the girl too? Find out in the next installment of Bowen Boys: Sebastian.

Andrew Kathi S. Barton, 2016-04-04 Andrew Lanning was happy when they shut down the family search and rescue business. He hated it because it was rarely ever a rescue just bodies and that was too depressing. But now he had to find something else to do. Being a man of leisure left him too much time to get into trouble so he purchased a floundering cable company to occupy his time. But when he started poking around the business, the things he found made no sense. The sales all of them stemmed from one computer and there were over a hundred employees. Laci Wintermute was caught in the middle of what she thought was a grocery store robbery but found out quickly that she was the target of the would-be robbers all along. What she couldn't figure out was why. And those idiots weren't the only ones after her either. They didn't seem to stop coming. So she did the only thing she knew to do: she ran. She ran until she ran out of money, acquired an assumed name, and took a job at a small cable company. The fate Sonya was determined to destroy the Lanning family even from the grave.

Brad Kathi S. Barton, 2024-05-31 Brad Kirk came from old money, very old money as he was an immortal. He was gifted immortality and a great deal of magic by a bear group centuries ago. He was a recluse and didn't like people much but he was a very shrewd businessman and had more money than he could spend in several lifetimes. Becka Dillard had raised her nephew Toby since he was an infant. He was too young when his parents died to remember them. Now sixteen, Becka was the only mother he knew and he loved her dearly. She was a trucker. They lived on the road. They never had much in the way of money but she had plenty of love to share even though she didn't care much for people in general. They were early for her next delivery and thankfully had time for a hot sit-down meal or so she thought anyway. Some idiot wouldn't leave her alone, accusing her of being the wife of some man named Kirk and he had a bone to pick with him. Some days it didn't pay to get out of bed.
