

HOW TO PREPARE FOR SUCCESSFUL STUDENT LOAN REPAYMENT

Use your FSA ID to log in to StudentAid.gov

01

Your FSA ID (the same you used to complete your FAFSA) will include a username and password. Once logged in, update your personal information and confirm your student loan servicer.

Confirm your student loan servicer

02

Your servicer may vary depending on the type of loan you have. If you don't know who your servicer is, log on to studentaid.gov and visit the "My Loan Servicers" section of your dashboard.

Log in to your loan servicer account and update your contact information

03

Create an account or log in to an existing one via the servicer's website. Review and update your personal contact information, including your email and mailing address, so your servicer can reach you.

Reauthorize or select auto debit for monthly payments

04

If you were previously signed up for automatic debit before the payment pause began, you must reauthorize or select automatic debit through your loan servicer account. This will allow your loan payments to be automatically withdrawn from your bank account every month.

Review payment due date and amount

05

Make note of your monthly payment amount and the date your first payment will be due, and update any changed banking information to ensure you either proactively make a payment by the deadline or are prepared for the funds to be drawn down by auto debit.

The Student Loan Mess Joel Best, Eric Best, 2014-05-02 Student loan debt in the U S now exceeds 1 trillion more than the nation s credit card debt This timely book explains how and why student loans evolved the concerns they ve raised along the way and how each policy designed to fix student loans winds up making things worse The authors a father and son team provide an intergenerational interdisciplinary approach to understanding how over the last 70 years Americans incrementally with the best intentions created our current student loan disaster They examine the competing interests and shifting societal expectations that contributed to the problem and offer recommendations for confronting the larger problem of college costs and student borrowing in the future

Repay As You Earn Philip G. Schrag, 2001-11-30 In 1993 Congress created a student loan repayment plan intended to enable high debt graduates to accept low income public service jobs by reducing their loan payments and eventually forgiving part of their debts But this Congressional initiative only helps those with catastrophically low incomes It has failed to attract many users because as implemented through regulations of the U S Department of Education it requires payment over too long a period 25 years before forgiveness Many students go to graduate and professional schools in pursuit of careers in public service But they often must borrow 100 000 or more to finance their education Their loan repayment obligations become so high that they can no longer afford to follow their ideals and they abandon their plans to have public service careers and seek employment with corporations or firms offering high salaries The income contingent repayment plan should have appealed to would be public interest lawyers who are among the graduates with the highest debt to income ratios but the plan has failed them and Schrag explores why and how the plan should be reformed either by Congress or by the federal administration

Student Loans Noël Merino, 2016-01-27 It is very common for young people to have educational loans in order to obtain certification or degrees This guidebook investigates student loans how increasing loan debt has gotten out of hand and what students should do about it Government and private loans repayment solutions and the economic impact of the student loan bubble are discussed

Game of Loans Beth Akers, Matthew M. Chingos, 2016-09-20 Why fears about a looming student loan crisis are unfounded and how they obscure what s really wrong with student lending College tuition and student debt levels have been rising at an alarming pace for at

least two decades These trends coupled with an economy weakened by a major recession have raised serious questions about whether we are headed for a major crisis with borrowers defaulting on their loans in unprecedented numbers and taxpayers being forced to foot the bill Game of Loans draws on new evidence to explain why such fears are misplaced and how the popular myth of a looming crisis has obscured the real problems facing student lending in America Bringing needed clarity to an issue that concerns all of us Beth Akers and Matthew Chingos cut through the sensationalism and misleading rhetoric to make the compelling case that college remains a good investment for most students They show how in fact typical borrowers face affordable debt burdens and argue that the truly serious cases of financial hardship portrayed in the media are less common than the popular narrative would have us believe But there are more troubling problems with student loans that don't receive the same attention They include high rates of avoidable defaults by students who take on loans but don't finish college the riskiest segment of borrowers and a dysfunctional market where competition among colleges drives tuition costs up instead of down Persuasive and compelling Game of Loans moves beyond the emotionally charged and politicized talk surrounding student debt and offers a set of sensible policy proposals that can solve the real problems in student lending

Federal Student Loans Made Under the Federal Family Education Loan Program and the William D. Ford Federal Direct Loan Program David P. Smole,2013-03-13 The William D Ford Federal Direct Loan DL program authorized under Title IV Part D of the Higher Education Act of 1965 HEA as amended is the primary federal student loan program administered by the U S Department of Education ED The program makes available loans to undergraduate and graduate students and the parents of dependent undergraduate students to help them finance their postsecondary education expenses The following types of loans are currently offered through the DL program Subsidized Stafford Loans for undergraduate students Unsubsidized Stafford Loans for undergraduate and graduate students PLUS Loans for graduate students and the parents of dependent undergraduate students and Consolidation Loans through which borrowers may combine multiple loans into a single loan For FY2013 ED estimates that 22.5 million loans not including Consolidation Loans totaling 120.8 billion will be made to students and their parents through the DL program Until July 1, 2010 Subsidized Stafford Loans Unsubsidized Stafford Loans PLUS Loans and Consolidation Loans were also available through the Federal Family Education Loan FFEL program authorized under Title IV Part B of the HEA The SAFRA Act part of the Health Care and Education Reconciliation Act of 2010 HCERA P L 111 152 terminated the authority to make new loans under the FFEL program after June 30, 2010 While new loans may no longer be made through the FFEL program approximately 289 billion in FFEL program loans are outstanding and are due to be repaid over the coming years FFEL and DL program loans are low interest loans with maximum interest rates for each type of loan established by statute Subsidized Stafford Loans are unique in that they are

only available to undergraduate students demonstrating financial need With certain exceptions the federal government pays the interest that accrues on Subsidized Stafford Loans while the borrower is enrolled in school on at least a half time basis during a six month grace period thereafter and during periods of authorized deferment Unsubsidized Stafford Loans and PLUS Loans are available to borrowers irrespective of their financial need and borrowers are responsible for paying all the interest that accrues on these loans FFEL and DL program loans have terms and conditions that may be more favorable to borrowers than private and other non federal loans These beneficial terms and conditions include interest rates that are often lower than rates that might be obtained from other lenders opportunities for repayment relief through deferment and forbearance loan consolidation and several loan forgiveness programs In the recent years numerous changes were made to the terms and conditions of DL program loans The Budget Control Act of 2011 BCA P L 112 25 eliminated the availability of Subsidized Stafford Loans to graduate and professional students for periods of instruction beginning on or after July 1 2012 and terminated the availability of certain repayment incentives for loans made on or after July 1 2012 The Consolidated Appropriations Act FY2012 P L 112 74 eliminated interest subsidies during the six month post enrollment grace period on Subsidized Stafford Loans disbursed between July 1 2012 and June 30 2014 The Moving Ahead for Progress in the 21st Century Act MAP 21 P L 112 141 lowered the interest rate from 6 8% to 3 4% on Subsidized Stafford Loans made between July 1 2012 and June 30 2013 Also for individuals who are new borrowers on or after July 1 2013 MAP 21 restricted both the period during which individuals may borrow Subsidized Stafford Loans and the period during which the in school interest subsidy may be provided to 150% of the published length of their educational program *Student Loan Planning* Ryan H. Law, 2018-08-13 Despite federally mandated entrance and exit counseling about student loans research shows that the majority of borrowers are confused about their debt and the terms they are borrowing on 64% of students worry about having enough money to pay for school 65% misunderstood aspects of their loans including the repayment terms the amount of their monthly payment or the interest rate of borrowers do not understand the difference between federal and private loans 60% of students have more student loan debt than they expected to have of borrowers are not sure they will be able to pay off their student loans The purpose of this book is to give you a baseline understanding of student loans We will review how to minimize student loans types of loans repayment plans delinquency and default forgiveness programs and strategies to pay off debt as quickly as possible **Federal Student Loan Forgiveness and Loan Repayment Programs**

Congressional Research Service, 2015-06-26 Student loan forgiveness and loan repayment programs provide borrowers a means of having all or part of their student loan debt forgiven or repaid in exchange for work or service in specific fields or professions or following a prolonged period during which their student loan debt burden is high relative to their income In both loan forgiveness and loan repayment programs borrowers typically qualify for benefits by working or serving in certain capacities for a specified period of time or by satisfying other program requirements over an extended term Upon qualifying
