Intermediate Accounting Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2022-04-26 Intermediate Accounting by Donald Kieso Jerry Weygandt and Terry Warfield has always been and continues to be the gold standard Through significant updates the 18th Edition presents a refreshed accessible and modern approach with new perspectives that help connect students to the what the why and the how of accounting information In the intermediate accounting course it can be difficult for students to understand the technical details and retain and recall core course topics To move beyond basic understanding students work through new integrated practice right at the point of learning and high quality assessment at varying levels helping them to learn concepts more efficiently and create connections between topics and real world application Throughout the course students also work through various hands on activities including Critical Thinking Cases Excel Templates and Analytics in Action problems all within the chapter context These applications help students develop an accounting decision making mindset and improve the professional judgement and communication skills needed to be successful in the profession With Intermediate Accounting 18th Edition you will be able to spark efficient and effective learning help create the bridge to student success and inspire and prepare students to be the accounting professionals of tomorrow Intermediate Accounting IFRS, International Adaptation Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2024-10-08 International Financial Reporting Standards IFRS are a set of accounting standards and rules issued by the International Accounting Standards Board IASB that govern how particular types of transactions and events should be reported in financial statements By presenting IFRS in light of current accounting practice this book helps students gain practical knowledge of the topic that they can apply as they advance into their accounting careers This text not only offers a more comprehensive understanding of IFRS standards but also emphasizes fair value proper accounting for financial instruments and new developments in international accounting This Fifth Edition of Intermediate Accounting IFRS continues the tradition of providing useful information to educators and students interested in learning about IFRS In addition to covering the latest IFRS standards and how they are applied in practice this edition provides new learning aids such as Accounting Matters and Analytics in Action to help students master the text material The edition also includes an appendix on ESG Reporting that explains what kind of information is included in ESG reports End Property Tax Evan Swensen, 2026-01-01 Geraldine Tyler was ninety four years old when the government came for her home She owed 2 300 in property taxes The county sold her condo for 40 000 and kept every penny including 25 000 that belonged to her Bennie Coleman a retired Marine lost his Washington D C duplex over 134 Uri Rafaeli lost his Michigan home over 8 41 These are not outliers They are the logical outcome of a system that treats homeownership as perpetual tenancy where paying off your mortgage means nothing where your tax bill can double because a stranger bought the house next door where the government can take everything you've built over a debt you could have paid with pocket change Property tax is the hidden

rent Call it what it is End Property Tax exposes how America s oldest tax has become a machine for displacing families stripping wealth from vulnerable communities and enriching predatory investors From the D C tax lien scandal to Detroit s mass foreclosures where one in three properties was seized Evan Swensen documents the human wreckage of a system other developed nations abandoned generations ago But this book does more than diagnose It answers the hard question critics always ask Where would the money come from Drawing on international models state level experiments from Texas to Florida and economic research Swensen shows that protecting homeowners is not only morally necessary it s fiscally possible Australia exempts owner occupied homes from land tax entirely Germany s effective rate is one thirtieth of America s Singapore taxes owner occupants at a fraction of what investors pay These nations fund their schools pave their roads and pay their police without threatening to take grandma s house A home paid for should be a home kept This is not a radical proposition It is the promise America made to homeowners and quietly broke End Property Tax is the case for keeping that promise and a roadmap for how to do it
