Tax Bracket Cash App Today:

PRACTICAL MONEY ADVICE FOR YOUNG MEN 2.0 Malik McCotter-Jordan, 2021-12-25 I am not suggesting that you fire your boss or quit your job. In fact, I advise you to keep your job. In this book, I have a job that's called having more than one stream of income, and I talk about that in this book. This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest, him shamelessly promoting financial firms that he has an ownership stake in, and saving 10% to 20% of your income. This is a raw and real book written by a guy who is only a few steps ahead of you. That's it. I am not a guru. This is not a scam. I put my heart and soul into making this. I wrote this book as if it was for the 18-year-old me. Anyone who leaves a review saying that this book lacks realistic, actionable advice is just plain wrong. I even did what most of these personal finance authors don't have the guts to do: I talk about my personal life and the mistakes I made that cost me thousands of dollars. That's why this genre is called personal finance, right? I get really personal. Some might say it's too personal. If you're a young man who is tired of being broke, living paycheck to paycheck, not owning any assets, being clueless about taxes, and not being able to get ahead in the United States, then this is the book for you. I started off as a poor black boy in a small town in Alabama. On section 8, I currently have a 6-figure net worth. If I can do it, you can too. Buy this book today.

The Redpilled Odyssey Conrad Riker, 101-01-01 Society Declared War on Men: Will You Surrender Or Fight Back? Do you feel punished for being a man despite playing by the rules? Why are your rights sacrificed to appease oppression olympics? What if everything you've been told about equality is a lie? Shatter the myths behind toxic masculinity and reclaim pride in male biology. Expose how courts, corporations, and campuses profit from demonizing men. Learn the real data on male suicide, homelessness, and fatherlessness buried by mainstream media. Discover why privilege is a weaponized lie to guilt trip you into submission. Uncover the stealth takeover of institutions by anti-meritocracy activists. See how feminism's endgame enslaves men, not liberates women. Arm yourself with evolutionary truths that debunk gender studies dogma. Rebuild purpose in a world that tells you masculinity is obsolete. If you want to dismantle the woke machine and rewrite your destiny as a man, buy this book today. *The Childfree Guide to Life and Money* Jay Zigmont PhD, MBA, CFP®, 2024-12-31 An essential and comprehensive personal finance and money management guide for Childfree and Permanently Childless people. Design the life you want, then create the right financial plan to get you there. Financial planning looks vastly different for DINKs (dual income, no kids) and SINKs (single income, no kids). But nearly all the advice out there assumes you have children or will have them someday. Everything from pursuing the kind of career you want, deciding whether you want to buy a house, rent, or hit the road as a digital nomad, to planning and filing taxes, budgeting, and investing your money, and getting set up for retirement or your later years is different. Simply said: When you aren't following the Standard LifeScript (go to college, get married, buy a house, have kids), you have the time, money, and freedom to do what you want.
