

6 WAYS

to improve your OFFICE WELLBEING

1 How do you work best?

It's important to know how you work best. Once you work in your own way, you can maximise your productivity and job satisfaction.

2 Customise your own workplace.

Regardless of how untidy your desk might be, having it the way you want will have psychological and physiological benefits.

3 A breath of fresh air.

Indoor air pollution contributes to 40% of absenteeism. If you can't open a window, bring in plants to help clean the atmosphere - it'll make your day more productive.

4 Stay hydrated. Stay alert.

Signs of dehydration include headaches, general confusion and, sometimes, muscle pain. Make sure you drink throughout the day in order to stay hydrated.

5 Deskercise.

Get into the habit of getting up and get moving during the day (you could combine it with staying hydrated and get yourself regular drinks).

6 Feature family & friends.

Place photos of friends and family on your desk to make you feel more at home and comfortable in your office environment.
