

Those of us who came to this world with rank and ambition make up Zico's new Sith Council. Ajunta Pall is our Dark Lord, or Jetaul. Force willing, his reign will be short.

We are served by their priests, the Kinnai, who have come to worship us as demigods. They regard Ajunta Pall as the manifestation of Typhojem, the Left-Handed God, and are thus rarely persuaded to do our bidding.

Their engineers, the Zagurok, are loyal, but they build far too many burial mounds and too few battleships. I must convince Pall of the need to redirect the laborers—or his title must be taken by force.

Our greatest asset is their warriors, the Masani, who are nothing more than brute muscle animated by consciousness. They are dependable, yet we must breed more if we are to strike back against the Republic, which has shamed and humiliated us.

The slaves, a rabble of mixed species, are collectively scorned with the epithet Grottha. After experiencing the artifice of the Republic's slavery bars, it's refreshing to see the weakness of inferiors affirmed and exploited for gain!

*Everything the Dark side claims.
Recover the truth we seek.
—Yoda*

The Sith caste system under our rule is based on the Kinnai priests, the Zagurok engineers, and the Masani warriors. The slaves or Grottha serve all.
