## **Siege Of Shadows:**

Siege of Shadows Sarah Raughley,2017-11-21 The Effigies seek out the true origins of the Phantoms that terrorize their world in this thrilling follow up to Fate of Flames which Elise Chapman calls an immersive and monstrously fun read There s nowhere to hide Not when you re an Effigy No matter where they go Maia and the other Effigies can t escape the eyes of the press especially not after failing to capture Saul whose power to control the monstrous Phantoms has left the world in a state of panic It s been two months since Saul s disappearance and there s still no sign of him leaving the public to wonder whether the Sect and the Effigies are capable of protecting anyone When Saul suddenly surfaces in the middle of the Sahara desert the Sect sends Maia and her friends out after him But instead of Saul they discover a dying soldier engineered with Effigy like abilities Even worse there may be more soldiers like him out there and it looks like the Effigies are their prime targets Yet the looming danger of Saul and this mysterious new army doesn t overshadow Maia s fear of the Sect who ordered the death of the previous Fire Effigy Natalya With enemies on all sides and the world turning against them the Effigies have to put their trust in each other easier said than done when secrets threaten to tear them apart *Shadow*

*Hawk* Alianne Donnelly,2023-09-22 Three years after humanity devolved into the bloodiest conflict in centuries the Shadow war is far from over Laura Belden is at the end of her rope Her community is under the tyrannical control of a sadistic madman and her people are depending on her to find a way out The last thing she needs is the boy she once loved showing up out of the blue as if he hadn t broken her heart and then disappeared right out of her life The problem is he might be the only one able to help After all Finnegan Rowe is an expert on all things Shadow courtesy of the twenty years he spent in their ranks Finn is coming home for one reason to beg Laura s forgiveness and start making amends for two decades of bloodshed in the name of a lie He knows it won t be easy Laura is hurt and angry and she has every right to be He s ready to accept whatever punishment she deems necessary What he doesn t anticipate is coming face to face with an enemy who threatens the lives of everyone who still matters to him The battle will cost him everything but a Hawk is trained to never leave a mission unfinished Turns out there is a way out of Shadow after all But it leads through blood Siege of Shadows Lynn
