Outspoken Veronica Rueckert,2019-07-02 Are you done with the mansplaining Have you been interrupted one too many times Don t stop talking Take your voice back Women s voices aren t being heard at work at home in public and in every facet of their lives When they

speaking up they're seen as pushy, loud and too much. When quiet they're dismissed as meek and mild. Everywhere they turn they're confronted by the assumptions of a male-dominated world. From the Supreme Court to the conference room to the classroom, women are interrupted far more often than their male counterparts. In the lab, researchers found that female executives who speak more often than their peers are rated 14 percent less competent, while male executives who do the same enjoy a 10 percent competency bump. In *Outspoken*, Veronica Rueckert, a Peabody Award-winning former host at Wisconsin Public Radio, trained opera singer and communications coach, teaches women to recognize the value of their voices and tap into their inherent power, potential and capacity for self-expression. Detailing how to communicate in meetings, converse around the dinner table and dominate political debates, *Outspoken* provides readers with the tools, guidance and encouragement they need to learn to love their voices and rise to the obligation to share them with the world. *Outspoken* is a substantive yet entertaining analysis of why women still haven't been fully granted the right to speak and a guide to how we can start changing the culture of silence. Positive, instructive and supportive, this welcome and much-needed handbook will help reshape the world and make it better for women and for everyone. It's time to stop shutting up and start speaking out.

I loved it. J. Courtney Sullivan, New York Times bestselling author of *Commencement*, *Maine* and *Friends and Strangers*. If you could rewrite your life story, would you dare? That's the question at the heart of this funny, sharp and propulsive debut novel about love, life and a woman finding herself and what it means to be happy and successful. Do you ever feel like your life doesn't measure up to everyone else's and wonder if you just didn't get the memo helping you make the right choices? Jenny Green dreads her upcoming college reunion. Once top of her class, the thirty-five-year-old finds herself stuck in a life that isn't the one she expected. Her promising career has flamed out, literally, and her deadbeat boyfriend is cheating on her again. All her friends seem to have it all figured out, enjoying glittering lives and careers that she can only envy from the sidelines. Did she just not get the memo they all did? As it turns out, she didn't. When she arrives at her alma mater for the festivities, she receives a text from an unlisted number: Jenny Green, please collect your memo. Somewhere on campus, a discreet female-led organization provides comprehensive memos to select students, a set of instructions that are a blueprint for success. The first time around, Jenny didn't receive hers. Now she's being given the second chance, she wants an opportunity to relive her life and make all the right decisions this time around. But at what price? Smart, addictive, bittersweet and ultimately triumphant, *The Memo* will enchant readers of *In Five Years* and *Cassandra in Reverse*, as well as fans of Emma Straub and Maria Semple.
