Universities C. Raj Kumar,2018-02-15 At a time of social political and economic shifts across the world India is faced with
the pivotal challenge of addressing the state of its universities In a region that was home to the leading higher learning
institutions during ancient times the descent in the quality of higher education offered by modern India s universities is yet to
create the desired impact To be effective universities will need to create institutional ecosystems that are reflective of the
complex and interconnected worlds their graduates will live in India s extraordinary demographic profile creates a
compelling need for its universities to reimagine their roles The contributors in this volume argue for fundamental reforms to
bring about a renewed sense of purpose The chapters are authored by leading scholars in the fields of law management
educational theory liberal arts international relations and science and technology and reflect the multiple approaches
necessary to address the most difficult challenges in our times The volume provides international and comparative
perspectives on higher education and will be immensely useful in highlighting issues being faced by Indian universities
